Official Notice of a Special Meeting of the Members

Three Lakes Water Association is calling a Special Meeting of the Members on Wednesday, August 26th, 2026, at 7:00 p.m. This meeting will be held at the Three Lakes Water Association office located at 17503 58th St SE, Snohomish, WA 98290. The Board of Trustees and Association staff are looking forward to seeing you. Doors will open early at 6:15 p.m.

The purpose of this meeting is to review changes to by-laws that the board is recommending and to seek approval (via voting by ballot) from the members to adopt the revised by-laws.

If you wish to submit a ballot to vote on the by-law changes, please bring valid identification. Ballots will be provided on site for the issues requiring your vote. For complete information on the matters being put before the membership, please refer to the Association's website.

Proxy Appointment

If you are unable to attend the Special Meeting of the Members, you have the option to authorize another eligible Member to vote on your behalf by designating them as your proxy. If this is something you wish to authorize, please visit the office (17503 58th St SE, Snohomish, WA 98290) from now until 2 business days before the meeting. You will need to complete the proxy appointment portion of your ballot, identify an attending member to assign your ballot to, and show an ID to complete the validation step. We recommend calling in advance to ensure someone is in the office to meet you.

Note you may assign several members to carry your proxy ballot if you are unsure which one is attending. Association staff will hold your proxy ballot and bring it to the meeting. The person to whom you have assigned your proxy ballot will be provided it at the time of check-in. If you have assigned more than one person as your proxy, the first to check-in will be provided your proxy ballot. There will be no proxy validation at the meeting site. Once you have assigned your proxy to another, it cannot be changed. Only one proxy shall be held by one other Member of the Association. Refer to existing by-law documents for a full list of rules governing voting and voting by proxy.
