Pomeranian

VÅRA DOMARE

Vår domare på Pomeranian:
Sóley Halla Möller, Island

Presentation:
My name is Sóley Halla Möller and I am 55 years old from Iceland. I am married with 3 children.

I worked as a Flight attendant and flight instructor for 20 years for Icelandair.

I now work as a dog groomer and dog trainer and have for 30 years.

I have been an active member in the Icelandic Kennel club since 1991. I have also been a member of the board for 8 years and was a vice president for 2 years. I have been in the showcommunity for 15 years too.

I got my judging licence in 2013 and am licenced in 37 breeds in gr. 1,2,3,5,7,8 and 9 and I am almost finished my gr 9 education.

I have had Poodles, Poms and shelties and today I have a Sheltie and unfortunately I lost my pom last year at the age of 14 years old. I got my first pom in 1994.

I am very passionate about the breed and it will always be close to my heart.

Sóley Halla Möller

Learn about the history and mission of our club. We are passionate about {interest} and strive to make a positive impact in our community.

Klein, Mittel & Gross

VÅRA DOMARE

Vår domare på Klein, Mittel och Gross spitz:
Ásta María Guðbergsdóttir, Island

Presentation:
I got my first dog, a papillon 1997 and my first litter 2002. An alghun male came into the family in 2005 and one more 2007 as well as a dwarf poodle male. I got to know pomeranians when I was a kennel girl in Sweden 2006 and a friend of the breeder I was staying with was Fredrik Nilsson with Calveys pomeranians. We became friends and 3 years later I imported the first first pomeranian from him, it was an adult female and I already got my first pom litter 2010. I imported few more in the coming years. At the moment I have four pomeranians at home and one klein spitz that I bred myself. I have had few pomeranian litters, few poodle litters and few phalane litters through the years but I mainly breed papillons.

I was one of the founders and board member for few years in the Icelandic junior handling club and I have been in the board of both the papillon club in Iceland and Sweden, now I sit in the breeding committee of the Swedish papillon club.

I work as a dog groomer and in the 2013 I was accepted as an FCI judge.

Some of my favorite memories at dogshows are:
2012 when we owned top dog of the year, top veteran of the year all breeds and were breeders of the year in Iceland.
2014 we again owned both top dog of the year and top veteran of the year all breeds in Iceland.
2015 when a papillon I bred and owned qualified for the Eukanuba world challenge final and was the first Icelandic bred & owned dog to represent Iceland in the finals.
2020 being the owner and handler of the winner of the toy group at Crufts.
We have also owned or bred the top papillon in Iceland most of the years for the last 20 years, and last year, Norway and Sweden added to the list too.

I'm so happy and excited to be invited to judge at your special, really looking forward to it.

Stay up to date with our latest events and activities. From group outings to social gatherings, there is always something fun going on.
