Failure to return without damage and/or in an unclean state will result in additional charges that may be deducted from security deposit and if necessary, additional charges may be made to your credit card.

> RE-SUPPLY POLICY

These Trailers are self contained and have a limited amount of water, disposal storage, and battery power. They accomodate a reasonable amount of use. It is your responsibility to ensure that these resources last the duration of your stay. We will not provide customers with additional water, holding tank capacity, propane and batteries during the rental period. USE ALL RESOURCES SPARINGLY.
