Maine association for safe tattooing has been formed by state licensed tattoo artists/studio owners for the purpose of public safety in tattooing, working and collaborating with the State of Maine on rules and lawmaking, and speaking on behalf of the tattoo industry in the state of Maine.

As professional artists involved with current happenings in the tattoo industry, it is our goal to have a voice and the opportunity to work with the state in staying up to date on advancements in tattooing, changes in equipment and supplies, rules and regulations pertinent to our industry and all other aspects of the tattoo industry as it applies here in the state of Maine and on any federal level.
