

MENU

Gray's is a multi-award winning coffee shop in the heart of Rothwell. We offer fabulous coffee, great food and above all, a warm welcome!

Our Coffee Shop was established in July 2019 and since opening, we have expanded our building and our offering. We regularly run workshops and evening foodie events and love trying out new things. If you have any ideas for exciting things to try at Gray's, then drop us a note or pop them in the suggestions box.

Our aim is to continually source quality produce and to support local businesses and the community alike.

We have an extensive range of vegan and gluten free products and menu items, so please ask at the counter for details.
