Heather and the Gray's Team

OUR COFFEE SUPPLIER

Lonton Coffee Company was established in 2013 in a hamlet that sits on the ancient county border of Durham and North Yorkshire, near the market town of Barnard Castle. Each coffee is hand roasted in small batches of no larger than 10 kilos. Here at Gray's, we are using the No.2 blend, Blue Monday. It is a unique three bean blend comprising of speciality grade beans from Brazil, El Salvador and Sumatra. With much consideration and skilful roasting, we have created a smooth, rich and chocolaty coffee with a fruit laden middle palate, a delicate acidity and a round buttery finish.
