# CHECKLIST

## Welcome Home

We hope you've had a wonderful trip and are enjoying being reunited with your furry family. *Here are a few helpful reminders to help everyone settle back into their normal routine.*

### GIVE YOUR CAT TIME

Every cat is different. Some will be waiting at the door, while others may take a little time to readjust. Let them come to you in their own time and enjoy plenty of cuddles when they're ready.

### CHECK FOOD & LITTER SUPPLIES

Take a quick look at your remaining food, treats and litter so you're stocked up for the coming days.

### RETURN TO THEIR ROUTINE

Cats love routine, so getting back to their usual feeding times, playtime and bedtime will help them feel settled again.

### MONITOR THEIR WELLBEING

It's perfectly normal for cats to be a little sleepy or extra affectionate after you've been away. If you notice anything that concerns you, please don't hesitate to get in touch - I'm always happy to help.

### ♥ WE'D LOVE YOUR FEEDBACK

If you were happy with your cat sitting experience, a review on [Facebook](#) or [Google](#) would mean the world to my small business. Your kind words help other cat owners find someone they can trust. Thank you for choosing The Happy Cat to care for your furry family. It has been an absolute pleasure, and I look forward to seeing you and your cats again on your next adventure!
