Dr. Bazger's new and exciting [scheduling menu is complete and live](#) for use! You can get to it by [going directly to the My Catholic Doctor link on the Contact Us tab of pureoath.org.](#)

Dr. Bazger's OB/GYN Specialty Consulting practice, Life Flows MEDICINE & SURGERY PLLC in Grosse Pointe MI, has launched its full infrastructure, pioneering a collaborative implementation effort with My Catholic Doctor PLLC. Virtual visits, in-Person Consultative Care, and Surgery Coordination will be supported and streamlined consistently within Dr. Bazger's innovative micropractice.

It is VERY IMPORTANT to [review the Practice Policies and Procedures document on the home page of pureoath.org](#) to understand the details of this new practice and what is required from those seeking consultative care in this setting. [This is referred to as the required "Letter of Understanding and Informed Consent."](#)

In response to common questions, we will provide a brief guide to help you navigate and understand your coverage status and payment expectations for visits. See below for what we call "Relevant Planning: Determining your Coverage Status":

1. To determine if, under your insurance plan, you are considered "in-network" for Dr. Bazger, you will want to:
    - contact your insurance carrier ahead of time to provide clarification for you
    - reach out to the contacts ([cards@mycatholicdoctor.com](mailto:cards@mycatholicdoctor.com) and/or [insurance@mycatholicdoctor.com](mailto:insurance@mycatholicdoctor.com)) if you need help navigating your coverage status
  2. Self pay will continue to be an option, and the [fee schedule is published under Dr. Bazger's profile as well.](#) To be eligible to benefit from a self-pay model (in which your care is subject to the established self-pay rates), you would need to:
    - be without an insurance carrier
- OR
- be part of a *health share* program/ministry

OR

- be part of an insurance plan which is considered “out of network” for your desired provider

We are grateful for the continued requests, questions, and the ongoing support, demand, and enthusiasm of those who we hope to be mutually blessed by Dr. Bazger’s devoted service in this Healthcare Ministry, work which is reliant on the great Providence and Grace of God for its fruitfulness!

Thank you for reading through this Announcement and the Practice Policies document.
