Plumbing Rest Assured membership plans. One annual visit keeps your plumbing checked, your water heater safe, and your home ahead of expensive surprises — for one flat price that never changes while you're a member.

BASIC **$199/year** or **$19.99/month**

- Annual visual plumbing inspection
- Water heater function & safety check
- Priority scheduling
- Exclusive member-only offers by email

PLUS — Plumbing Rest Assured **$399/year** or **$49.99/month**

Everything in Basic, plus:

- Water heater flush
- Camera inspection
- Toilet testing
- Interior drain flow inspection

PREMIUM — Rest Assured + Water **$999/year** or **$99/month**

Everything in Plus, plus an annual water treatment service:

- Regular maintenance of your water treatment system
- All media replacement as needed
- 15 bags of salt per year, delivered
- Resin cleaner as needed

Salt Delivery add-on — $9.99/month (Basic and Plus members)

15 bags of salt delivered to your home once a year — no hauling bags yourself. Or pay for the year upfront. Premium members: salt delivery is already included in your plan.

The fine print, in plain English: Plans auto-renew at the same price unless you cancel. Monthly plans require a credit card on file. On the monthly Premium plan, the annual water treatment service is scheduled after your first 10 payments — it is a big service, heavy on time and materials. On the monthly Salt Delivery add-on, the delivery happens after 10 payments. Premium's water treatment service covers maintenance and media; major component replacements are not included.
