

# ARE YOU A DEMOCRAT OR A REPUBLICAN?

**Many of us follow** in the footsteps of our parents when it comes to choosing a political party, and the issues they represent, with which to align ourselves. Some of us are influenced by our peers, books written by political authorities, and yes, the media.

**You may belong** to a political party, but on some issues, you may lean toward support of the opposite party.

**Whatever your political affiliation,** here is a list of some of the major issues America is confronting and how the Democrats and Republicans either support or oppose them.
