

BUILD A HOME

This fall, let Habitat for Humanity of Hall County bring the warmth of home to your doorstep.

Whether it's your own porch or a surprise gift for a friend, coworker, or neighbor, Habitat will deliver and arrange pumpkins to brighten your entryway.

With every "patch," you're not just decorating a porch—you're helping build a world where more families can step into a safe, stable place they're proud to call home.

Home is more than four walls. It's where we gather, celebrate, and feel rooted. By joining Patch Your Porch, you're spreading autumn joy while supporting Habitat's mission to provide strength, stability, and self-reliance through affordable housing.

Celebrate fall. | Surprise someone you love. | Help another family find their place to call home.

Choose Your Patch:

-  **Small Porch Patch - \$100**
-  **Medium Porch Patch - \$300**
-  **Large Porch Patch - \$500**
