OUR MISSION

Our mission is to instill confidence, loyalty, leadership, and respect, while fostering lifelong friendships. We believe that each participant is a natural born athlete and, as coaches, it is our duty to train him or her so they can gain strong fundamentals concentrating on safety and quality in cheer stunts and tumbling. We focus on building a team mentality while developing individual skills. At Full Force All Stars, we strive for excellence, perfection, teamwork, and success!

Charges are posted to accounts on the 1st and 15th of each month. If payment has not been received by the 14th and the 28th, your athlete will not be able to attend practices and competitions and a \$25 late fee will be assessed to your athlete's account. Please contact the Tanisha Moody (fullforceallstar@gmail.com) concerning any payment questions. Due dates for any other fees will be communicated via email and social media. FUNDRAISING

We recognize that All Star cheer is an expensive sport! To help offset these costs, there will be a wide variety of monthly fundraisers offered throughout the year. Your profit from the fundraisers will be applied to your athlete's account to be used towards monthly tuition, competition fees, uniform fees, choreography and music fees, or practice wear. It may not be applied toward travel expenses. If an athlete leaves the organization, for any reason, all funds in the athlete's account will be moved to the Full Force general fund. Fundraisers held for the benefit of your athlete's account are optional but encouraged.

We will also hold several gym fundraisers each year, which will include raffles, sales, bingos, or volunteer opportunities. These funds will be used toward gym costs including but not limited to program events, coaches' travel expenses, equipment, etc. Money will also be raised at other functions throughout the year, such as send-offs and showcases.
