

THIS HABEAS is not only a clear picture of my wishes and desires but this habeas is something that clearly reflect and elucidates not only that i was FRAMED but worse this habeas lays out a none refutable & profound story of the wrong's & illegal tactic's that was used to ascertain a conviction against and not only dose this habeas elucidates what really happen in my case it clearly shows that the wrong Doing & Illegal acts used against me but these acts were CRIMES. I can honestly say that this habeas is truly my voice and my side of the story.

I honestly can say that i found it easy to continue to fight as hard as i have for over 42 years because the mere fact that i knew and know that i am INNOCENT and because of this fact i knew that i could and would never give up nor stop fighting, fighting to not only prove that i am innocent but to always show and prove that i WAS FRAMED so there was never a inclination to stop fighting and proclaiming my innocence. ONE can never give up or stop fighting when one know the truth and even tho i have paid a unwarranted price of 42 plus years i am grateful for the legal team that i now have as they have believed in me and have gave my side of the story as well as making sure that MY VOICE IS HEARD and this is what my legal team has composed in the habeas and all i can say and see coming out of the contents in the habeas is JUSTICE AND FREEDOM.

I truly that the contents of the above has giving you a profound picture and understanding of my feelings to the habeas and the unwarranted and unjust 42 year fight i have been subjected too FOR BEING INNOCENT. I Want to THANK YOU for your time and concern in my case and in hopes you will continue to share MY VOICE AS I ONLY SPEAK INNOCENTLY.
