It is our desire to **enroll students** in Grace Academy who have a desire to know and follow the heart of Jesus Christ and assist the students in their relationship with Him. Our curriculum, academic guidelines, procedural rules, and activities are all designed to accomplish this goal. **We also want the school to be a safe environment for learning and to avoid many unnecessary social pressures or other challenges that detract from students being successful in their education.**

If you are allowed to attend Grace Academy, what benefit do you think you will gain from being at the school?

Student Conduct, Lifestyle, and Activities

If you are permitted to attend Grace Academy, **your actions and attitudes may be regulated because of their impact on others in the school.** We desire your behavior at home, at school, and elsewhere to be consistent with healthy moral values.

Participation in any of the following activities are considered **inconsistent with the standards** upheld by Grace Academy:

- 1) Consistently use profanity; 2) Smoke, vape, use illegal drugs, or drink alcohol; 3) Are sexually active, are exposed to pornographic material, or play adult-rated video games; or 4) Have been involved in or charged with unlawful behavior.

Any of these areas in which you are currently involved or to which you are consistently exposed, **need to be discussed** with the school administration and possibly resolved, prior to enrollment. Please outline any issues on a **separate sheet of paper.**

STUDENT COMMENTMENT

"Throughout my enrollment at Grace Academy, I understand that I am expected to exhibit conduct that is morally upright and respectful, whether at school, at home, or elsewhere. I am aware that during the school year, Grace Academy students are required to abide by a specific dress code. Boys are not allowed to wear earrings while attending the school.

*"I understand that romantic relationships with other students are not encouraged unless it is **supported by the parents of both individuals.** We do not support the current trends regarding gender identity. In all cases, relationships must be Biblically appropriate and not negatively impact the student body. **I agree to support the guidelines of Grace Academy.**"*
