Dear Parents,

Grace Academy is committed to approaching education from a **Biblical worldview**. The values and standards we uphold are intended to be an **extension** of the Biblical values already established within the **families** who enroll. We do not embrace the current trends regarding gender identity or lifestyles that are in conflict with the Scriptures.

Our small size and **individual-learning** approach makes it possible to accommodate a variety of learning styles. We adjust our academic programs to **meet each student's needs**. We have some of the structure inherent with a school setting, but the flexibility and personal attention more associated with home-school environments.

We offer both a full-time program and a hybrid-homeschool program. The **hybrid program** is for high-school students who need more flexibility with their schedule, or younger students who struggle with the full days in a focused and disciplined learning environment. They have **fewer hours** each day and do some **work at home**.

Application Process for the 2023-2024 School Year

Please complete the *Enrollment Application*, *Financial Agreement Form*, and *Standard of Conduct Form*, and return them to the school office or mail them to the address listed in the letterhead. You will receive additional information for the coming school year during the summer. **All new students will be required to take diagnostic tests to determine their academic placement.** We will arrange a time during the summer to complete the testing.

School Tuition and Materials

Tuition is distributed over 12 monthly payments beginning in **June 2023** with the last payment in **May 2024**.

Monthly Tuition Schedule for the 2023-2024 School Year

Curriculum

The material costs depend on the student's courses and how much work is accomplished. The expenses for materials are typically around \$300/year/student. **Materials** include PACEs, textbooks, lab fees, field trips, etc.

Disenrollment

There is no application fee, but if you withdraw your student during the summer **before the school year begins**, you will receive a **refund** only for the month in which you leave, not previous months. If you pay more than one month in advance your remaining refund will be returned in monthly increments. You will also be billed for any unused curriculum purchased for your student.

If you have additional questions, I may be reached at 691-5210. I hope that we may minister to your family.

Serving you and Him (Phil 3:7-14),
