MONTHLY NEWSLETTER OF HIGHLANDS CHURCH  
MAY 2019 – VOLUME 23 – ISSUE 5

## Is VBS Worth It?

*“YES! Because VBS is the one week that mobilizes the entire church to reach the community with the gospel, while simultaneously providing a unique discipleship experience for the individual child and the volunteer.” – Landry Holmes*

Putting on a Vacation Bible School in your church each summer can be hard work and you may even be wondering, is all of this effort worth it? Jana Magruder, Director of LifeWay Kids, gives two reasons why VBS is still worthwhile and a valuable investment for your church and your community.

First, VBS is something that even a family or parents who are not in the church or who maybe don't know the Lord, will still send their children to VBS if they're asked by a friend. That information right there is enough for us to say, "Okay, this is still working." That age-old model of invite a friend to VBS is still working. That's a huge engine if you think about it. If you can deploy your church to ask just even one friend to come to VBS, then you're going to reach a whole community.

The other reason it's still worth it is, that it is the church family working at its best. It's an all-hands-on-deck kind of effort. It takes everybody in every age demographic, multi-generational, to reach and to pull off a quality VBS program.

So is it worth it? Absolutely. **Will you help us participate in this ministry of VBS by your prayers, your presence, your gifts, and your service? Will you invite your grandkids to come visit for this special week? We can't do this without you. Sign up to volunteer at the VBS table in the Gathering Area. If you have any questions email Sarah Catherine Davis at [sarahcatdavis4@gmail.com](mailto:sarahcatdavis4@gmail.com)**

# PASTOR'S PEN

*"...but in your hearts honor Christ the Lord as holy, always being prepared to make a defense to anyone who asks you for a reason for the hope that is in you; yet do it with gentleness and respect..." 1 Peter 3:15*

One of my great loves in the ministry is the confirmation of the young members of the congregation. By the time the confirmation service rolls around, what you have are several young men and women who are willing to publicly profess Jesus Christ as their Lord and Savior. You also have that same group agreeing with the theology of the United Methodist Church. These young men and women serve as a reminder to all of us that we are not in this denomination by accident. In honor of confirmation, I want to highlight some of the things that we believe as United Methodists.

First, our God who is the only God, is the Trinity. Father, Son, and Holy Spirit. All Christian denominations agree with the Trinity, but it's important that we realize and reaffirm our belief in God being one, but having three "persons." It's confusing, yes, but if we could fully understand God, why would He be worthy of worship? If our human minds could fully understand all that God is, would that not make God more human than divine?

Second, belief in Jesus is required to receive eternal life. Again, this is another tenant of all Christian denominations, but this fact can sometimes be forgotten in an age of religious plurality. If we don't believe Jesus is the way, the truth, and the life, then why do we bother? Further, why would there be so many people that have gotten killed for not refusing to renounce faith in Jesus Christ? Remember also, that we exist as a denomination and congregation because of a group of Anglicans who wanted to preach the Gospel everywhere.

Third, the sovereignty of God. This is a catch phrase in popular theological circles these days and usually has to do with other Protestant denominations. But as United Methodists we also affirm the belief that God is fully in control. We believe that He is in control of what happens, but doesn't necessarily force certain things to happen. We also believe that God knows all that is going to happen.

Fourth, free will. We believe that God is sovereign, but God does not force us to say yes to Jesus Christ, rather God restores us by grace to be able to accept Christ as Lord and Savior. This belief in the free will of human beings also puts the evil that is done in the world not on God, but on the human beings that make evil decisions.

Fifth, the sufficiency of Christ for salvation. This means that in the United Methodist tradition we believe that what one must do to inherit eternal life is to accept Jesus Christ as their Lord and Savior. End of story. We don't believe that good works are what saves us; that would be idolatry. Instead we recognize that salvation comes to us entirely through Christ and what He did.

Sixth, response to the sufficiency of Christ for salvation. Recognizing that we are sinners in need of a savior, and seeing that Christ is that savior, when we place our faith in him this should bring about our rebirth and a desire to be obedient to his commands.

Blessings and peace,  
Pastor Robert

## SNACK PACKS

---

We are packing for the entire Gravette School System which is over 100 children per weekend. The Highlands Church Outreach also pays for all the food. The snack packs go to children that the school counselors believe to be food insufficient over the weekend. The work is not hard, we play music and have fun. We pack for one hour from 2:00 pm to 3:00 pm. Sam's Club is on the way so if you need something it is a handy stop. We pack at the Samaritan Community Center in Rogers the third Tuesday of the month during the school year. Their address is 1211 West Hudson Rd.

## 8:15 ADULT SUNDAY SCHOOL

---

Join us on Sunday mornings at 8:15 in the Mark classroom. We are using a book and DVD by Rev. Adam Hamilton called Simon Peter; Flawed but Faithful Disciple. Come study and discover how you, too, have special gifts, talents, and abilities that God can use to make a difference, just like Peter. Questions, contact Donna VanderSchaaf at 479-715-6059 or see her at the Sunday Traditional service.

## 9:30 ADULT SUNDAY SCHOOL

---

Join us on Sunday mornings at 9:30 in the Mark classroom. We are using the Standard Lessons Commentary. Each lesson will use scripture with verse by verse explanation of the text with detailed background followed by group discussion. Everyone is welcome. Questions, please contact Gary Marshall at 479-553-7950.

## FINANCE NEWS

---

The financial status of Highlands Church continues to be a concern for the Finance team. Expenses for the operating of Highlands Church facility and ministries are being paid in full in a timely manner, which includes our tithing to the Arkansas conference. Although we are gradually beginning to stabilize, the month of April has again ended with a deficit of more than \$8,000. If you pledged your support to Highlands Church this year, we hope that you are current with your giving towards this pledge. The Finance Committee expected to have income of about \$3,000 from the special Easter Offering which is from giving above and beyond your regular pledge. We did not achieve this goal, and if you did not yet give to the Easter Offering, you can still do so. Please be sure to note "Easter Offering" on your check.

Please take a moment to reflect on what Highlands Church means in your life and Christian walk. Have you experienced a special blessing during this Lenten Season through worshipping at Highlands Church? Did you taste the bitterness of the herbs and sweetness of the honey at the Seder Meal? Were the Stations of the Cross made real as you saw them through the eyes of others? The joy of the Resurrection was exciting on Easter Sunday as we worshipped in the Sanctuary overflowing with family and friends. Consider giving back to God in response to his blessings in your life.

Your Finance Team,

Andy O'Neil, Chair

The job involves making phone calls from the signup sheet and can be done at your convenience from home. If you think you might be interested, and would like more information, please call Jane at 855-0852. She'll fill you in and even buy you a cup of coffee or tea!

## CENTERED IN PRAYER

Above all other books, choose the BIBLE! If you like, read as many books of meditations as possible, but that isn't essential. It is essential to read and meditate on the Scriptures. Christianity without the Bible is a contradiction in terms. Preaching not anchored in the Scriptures is equally impossible. There is no true religious formation which is not based on the Gospel. The Bible is the letter, which God himself wrote to men in the thousands of years of their history. It is the long drawn out sigh for Christ (Old Testament) and the account of His coming among us (New Testament).

When the temple of Jerusalem was burning, the Jews abandoned all the treasures to the flames but saved the Bible. Paul knew the Bible by heart, and Augustine said, "Ignorance of Scripture is ignorance of Christ." The Bible is the word of God, the Word made flesh is the Eucharist. I put both of them on the altar and kneel down before them.

From *Letters from the Desert* by Carlo Carretto
