Mission Ministry Opportunities

The Samaritan Feet Shoe Event in Gravette will be held Saturday, July 27 in the Gravette Middle School Cafeteria from 9:30 am-1:00 pm. Highlands Church is again providing 200 pairs of shoes for students in the Gravette School District. I hope you will volunteer to participate in this special event. Volunteers are needed in various areas; to register the students, be a shoe runner, wash the children's feet, and fit them with a new pair of shoes. The students are so appreciative and you will receive a blessing every time a child's face lights up when they receive a new pair of shoes. (see flyer on page 2)

Listed below are dates for Care & Share Thrift Store volunteer opportunities coming this summer and fall. Watch for more information as the dates approach in the Weekly Update emails.

July 16 – 20

September 10 – 14

November 5 – 9

Thank you for your continued support of the Gravette School District (GSD) Food Pantry. We help fulfill a need for food insecure families in the GSD. Other needs besides food are: detergent, dishwashing liquid, paper products, and personal hygiene products. Don't forget the egg cartons! Place your donated items in the marked bins located at all entrances to the church for delivery to the Gravette School Food Pantry. This project is co-sponsored by the Celebration Worship Team & Highlands Methodist Women (HMW).

Don't forget to mark your calendar for the Car Show on Saturday, September 28.

Blessings,

Sara Sherman, Mission Ministries Chair

Pastor's Pen by Rev. Robert Cloninger

I am filling you all in on a project I've got going that some of you may already know about. It's the YouTube channel I've been trying to get up and going for some time now. I kept talking myself out of starting it because I kept asking myself, "Does the world need another YouTube channel?" I also asked myself, "What do I have to offer that's different enough that I need to go on YouTube?" Those were defeatist questions. One of the prime motivators in getting the channel up and going is that this new Methodist movement we are a part of is all for spreading the Gospel in as many ways as possible. You're seeing more Methodists publish books and host YouTube channels and Podcasts. And to be honest, it's a very exciting time. These are things I dreamed would happen at the start of my ministry, and now we have so many Methodists on fire with the Holy Spirit trying to reach our Nation for Christ that it's overwhelming.

I called my channel 1743 Ministries because that year was the year John Wesley formalized Methodism. One of the things that helped John Wesley in spreading the Gospel of Jesus Christ was printing. In this day and age, platforms like YouTube and social media have become our printing presses. This addition to my ministry also allows me to cover things that aren't necessarily long enough for a sermon or Bible Study but still need to be discussed. It will help people grow in their faith and bring others to it. I also recognize that I'm a small fish, but Jesus used small fish.

Now, to address a small rumor: I'm not making any money off this. Just because you're on YouTube doesn't mean you make money. The people who make money on social media are not talking about Christianity in the Wesleyan tradition. They are handling pop topics. They have large followings. And they're deliberately trying to get monetized. A YouTuber and pastor that I respect and love watching even joked about how there isn't any money in the Christian severe niche of YouTube and that the only thing he had gotten close to cash was a small company that sent him a couple of Bibles to review and if he reviewed them, he could keep the Bibles.

If I were in the ministry for the money, I wouldn't be in the ministry. I spent 90 hours getting a specific master's degree after my bachelor's. I could have gotten an education in a money-making field in all that time if my objective was to make money. If someone ever thinks I aim to make money, they don't know me. My purpose is not to waste my life. It is to be a faithful disciple of Jesus Christ. It is to do what I can to bring people to the one who saved me and lifts me daily.

HIGHLANDS METHODIST WOMEN

2024 Flea & Boutique — Thank You!

Thanks to all who supported the Flea this year. It was a great success and we think everyone had a good time.

To all of you who: donated items, unpacked, priced and displayed items, worked as cashiers and baggers, baked delicious goodies, assisted shoppers and endlessly rearranged tables to make room for all the items, brought snacks and lunches for the Flea workers, and packed up the unsold items in record time, THANK YOU, THANK YOU, THANK YOU!! And to everyone who shopped and brought their friends to shop, you made this a great success.

The men were amazing. These guys picked up and delivered furniture, set up tables, moved tables and chairs, and then put it all away again. They packed up the "leftovers" and loaded the Care & Share truck, not to mention carrying boxes up all those stairs and then carrying them back down again when the Flea was over. We couldn't do this without them.

A special note of appreciation to Amey and Lori who put up with all of us for a week and dropped what they were doing to help us. Especially finding a home for our mannequins!

GriefShare is a grief recovery support group where you can find help and healing for the hurt of losing a loved one. The next 13 week session begins on Thursday, August 1, from 6:00 to 7:30 pm in the Luke classroom. Workbooks are \$15. The GriefShare Leader will be Nancy Noyes. Class size is limited. If you would like to attend, call the church office to RSVP or see the Weekly Update email to sign up online.
