Menus

The philosophy of Zeke's Restaurant is to serve the largest selection of the freshest seafood and steaks on the Gulf Coast. With a remarkable 18-year tenure in the world of gastronomy, Chef Ricky has seamlessly blended an array of culinary influences, culminating in a fusion cuisine that marries flavors with a pronounced Spanish essence. We are honored to host your event. Once the date has been booked, you will work with our Catering Director to plan a menu that is tailored to your event, starting with your preferred menu style. All menus can be customized to meet your specific event needs.

Buffet Style

Recommended for social and interactive crowds and larger parties. Keep in mind, not everyone needs a seat since most people will be moving around and socializing!

Plated Style

Recommended for smaller, more intimate events. Keep in mind the venue size and your guest count. This package is recommended for formal sit down dinners.

Add Ons

We understand the importance of tailoring your event to perfection. For those seeking an extra layer of customization, we proudly present our exclusive add-on options.

Stations Add Ons

An action station or chef action station is a food station where chefs or guests perform a type of action such as cooking, mixing, adding toppings, or plating meals. Action stations are one of the hottest trends in the catering industry as they continue to replace traditional plated meals at catered events. They allow guests to customize their meals and interact with chefs as they are cooking or plating their orders. Each station will require a \$100 service fee for labor.
