Short Game Clinic – Ladies & Gents

What Is This???

The objective of this clinic is to provide a comprehensive overview of the short game, giving you opportunities for 1:1 instruction, recommendations on how to improve, along with tools to help you perform out on the course. We understand in the past it may have been hard to commit to 1.5-hour sessions for 2 days, so this year we are providing more of a flex plan to build your short game clinic. We will be offering multiple dates in 1-hour sessions to where you can build your own short game clinic.

Below you will find dates along with that evening's topic. You are more than welcome to attend multiple of the same topics, I.E. attending 2 of the putting clinics because you want extra help there, but you can also just choose one of each.

COACHED BY CHRISTIAN RAMIREZ, PGA.
