HALF YEAR
INFORMATION PACKET

WELCOME TO THE PRAMILY

WE ARE SO EXCITED TO WELCOME YOU TO NJ PREMIER ALL STARS. WE KNOW THAT YOU WILL LOVE OUR FUN, ENERGETIC, POSITIVE ALL STAR CHEER ENVIRONMENT!

Our Vision

At NJ Premier All Stars, our vision is to create a safe, elite training environment where athletes develop the skills, confidence, and character to perform at the highest levels of all-star cheerleading—while embracing the spirit of “PRAMILY” (Premier + Family) along the way.

We are more than just a cheerleading program—we strive to be your athlete’s second home, a place where they feel supported, valued, and empowered both as cheerleaders and as individuals.

Our athletes benefit from access to the best coaching staff, offering specialized instruction in tumbling, stunting, jumps, and team training for both half-year and full-year programs. In addition to our core staff, we proudly bring in renowned guest instructors and coaches from across the country during our annual Skills Camp and other events throughout the year.

This all-inclusive, athlete-focused approach allows us to build well-rounded, competitive athletes equipped for success both on and off the mat. We are committed to fostering a positive, high-energy environment where athletes are encouraged to grow, compete, have fun, and create lasting friendships and lifelong memories.

WE WILL PROVIDE ATHLETES A HOME AWAY FROM HOME.
TEACH OUR ATHLETES THE TRUE MEANING OF BEING A TEAM.
REACH OUR GOALS THROUGH HARD WORK & DEDICATION.
LET’S KEEP CHEERLEADING FUN!

TEAM PLACEMENT

TRUST OUR PROCESS

Our NJP Teams are formed with athletes of the same skill level to maximize the score sheet and be competitive. Our staff builds teams that we feel will result in a successful competitive season.

NJ PREMIER 1ST – TEAM 2ND – SELF 3RD

“Cheerleaders who come off the mat a CHAMPION are never upset with their team placement.”

TEAM PLACEMENTS ARE SUBJECT TO CHANGE AT THE COACHES’ DISCRETION. ATHLETES MAY GO UP OR DOWN A LEVEL, INDIVIDUALLY OR THE TEAM AS A WHOLE. WE WILL HAVE OPEN COMMUNICATION WITH OUR FAMILIES ABOUT CHANGES THAT NEED TO BE MADE TO BENEFIT THE TEAM.

TEAM PLACEMENT

Athletes are placed on our teams based on the skills they show at evaluations. We calculate the amount of skills we need in each section of the score sheet to hit our difficulty and tumbling numbers. Our goal is for our teams to stay consistent from the start of the season through the rest of the season. After team placement, it is important that the stunt groups are able to hit the elite skills required, and that the athletes maintain the tumbling they tried out with.

Athletes must maintain and improve their skills from tryouts. As the season progresses we expect skill and flexibility and the strength and conditioning needed to master our routines. We also want our stunt groups to be able to compete all skills choreographed and not have to be “watered down.” If the choreographed stunt skills can not hit with consistency and good technique in the stunt group then they groups or teams these athletes are on are subject to change. It is important at NJP that we accommodate the needs of the team and not the individual athlete. Please do not compare your Childs skills to another Childs skills as there is a lot that goes into creating competitive teams. There will be no discussion once teams are made with staff or management.

TEAM PLACEMENT

NJ PREMIER ALL STARS FLYERS

Athletes selected as flyers must maintain flexibility and skill requirements. Selected flyers unable to meet the level requirements must learn to base or will be moved to an alternate position. Flyers **MUST** attend 1 Flyer Stretch class per week. Attendance will be taken and shared with coaches. Flyer stretch class is \$20.00 per month for unlimited classes and is **NOT** included in tuition. In addition, stretching consistently at home is required and crucial to a flyer's success. Private Stretch & Stunt lessons are available and cost is determined by the instructor.

ADDITIONAL TUMBLING

Additional tumbling classes will be required for athletes who do not maintain the level skill requirements throughout the season. Athletes who cannot maintain the necessary tumbling or execution for their team may be moved to a level that best suits their skills. Private lessons are available and cost is determined by the instructor. **TUMBLING OR TRAINING IS NOT PERMITTED** at any other facility in the state of New Jersey without prior approval by the owners and coaches of NJ PREMIER.

SICK, INJURED & ABSENCE POLICIES

By initialing, committing and registering for an NJP team, you acknowledge and agree to abide by all the policies and procedures outlined in this packet

REPORTING ABSENCES

Any absence must be reported in TWO ways:

- Notify your coaches via Band.
- Complete the Attendance Google Form.

Additionally, athletes must send a reminder message to their coach prior to the scheduled absence.

ABSENCE REPORTING GOOGLE FORM LINK:

<https://forms.gle/TGeEdvoB5rkduP5RA>

EXCUSED ABSENCES

Sick with a Dr. note, Religious function, School function resulting in a grade, bereavement (immediate family member)

UNEXCUSED ABSENCES

Birthday parties, School dance, Vacation, Banquet, Other sports, Sick w/o Dr. note and not contagious, etc.

SCHOOL CHEER/SPORTS

We can NOT accommodate school cheer/sports; however some coaches are more understanding than others.

SICK ATHLETES

A sick athlete must present a doctor's note to have the absence be considered excused. Unless contagious, a sick athlete is expected to be present for practice to observe. Chronic "excused" absences may jeopardize the athlete's position in the routine and on the team.

SICK, INJURED & ABSENCE POLICIES

By initialing, committing and registering for an NJP team, you acknowledge and agree to abide by all the policies and procedures outlined in this packet

INJURED ATHLETES

Sitting out with an injury is to be expected in this sport; however, we will need a doctor's note for the absence to be considered excused. They will not be allowed to return back to practice without a doctor's note. If they are not able to perform and hit full out routines for 2 weeks leading up to a performance or competition, the coaches will use a fill-in/alternate from another team. Athletes will return to the routine/competition at the coach's discretion based on current timing and what is in the best interest of the team.

We are sympathetic to the needs of our athletes and safety is our top priority for the team as a whole. ALL injured athletes are required to attend all practices, competitions, and showcases dressed in practice wear or our competition uniform. In the instance routine changes are made the athlete needs to stay up to date without causing extra time to learn those changes. In order to hold their spot on the team, they must continue to pay tuition and fees unless the injury occurred in the cheer gym. If it is not possible once they return to do the skills required on the team, we will do our best to make a spot for them on a different team based on their current skills.

EXTRA PRACTICES

Coaches may request that extra reps, privates or classes be added to the athletes weekly schedule. Also any additional practices scheduled are MANDATORY. This is to ensure we are prepared for all competitions. If you are unable to do so, this may result in removal from the team.

ABSENCE POLICIES

By initialing, committing and registering for an NJP team, you acknowledge and agree to abide by all the policies and procedures outlined in this packet

DECEMBER-APRIL ATTENDANCE ABSENCES

From December through April, every cheerleader is required to attend all practices and additional scheduled practices.

- Each athlete is allowed TWO (2) unexcused absences to use at their discretion.
- Family vacations are NOT considered excused absences. Please plan trips around scheduled gym closings.

COMPETITION ATTENDANCE

- Missing a competition is unacceptable. Every athlete is expected to attend, regardless of any conflicts that arise.
- If an athlete is too ill to compete, a doctor's or hospital note (dated the day of the competition) is required.
- By committing to this program, you agree to make attendance a priority and uphold your responsibilities to your team.

ABSENCE POLICIES

By initialing, committing and registering for an NJP team, you acknowledge and agree to abide by all the policies and procedures outlined in this packet

BLACKOUT WEEK (Week of Competition)

- Attendance during BLACKOUT WEEK is absolutely MANDATORY.
- Unexcused absences CANNOT be used during this time.
- Missing practice during BLACKOUT WEEK will result in being replaced by an alternate for the competition and possibly future events.

UNEXCUSED ABSENCES & CONSEQUENCES

Unexcused or excessive absences negatively impact the entire team. The following guidelines apply:

- Excessive Absences: If an athlete exceeds the allowed number of absences (2), coaches may adjust stunt groups, formations, or athlete placements as needed.
- Injuries: If an athlete is injured and returns back to practices the week of a competition they will NOT compete. Athletes returning from an injury must have 5-7 practices to get back into the routine. NO EXCEPTIONS!
- Last-Minute Emergencies: We understand emergencies happen. In the event of a last-minute emergency, notify your coach ASAP via Band. Emergency absences will be reviewed on a case-by-case basis.

By committing to this program, you agree to make attendance a priority.

Let's work together to ensure a strong, successful season!
