2023-2024 PROGRAM FEES

It is our goal to provide all NJ Premier cheerleaders and families with a cost breakdown for the 2022-2023 season in its entirety. Please realize that some of these costs are ESTIMATES. When an exact cost is not available, we have tried to provide a price range. Often times we are asked by families to give a total cost for the entire season. This is difficult to do as there are many variables that can make costs fluctuate from one family to the next. For instance, some will participate in fundraising, while others will choose not to. Please realize that not all of these fees are due at one time, but are spread out throughout the year.

SICK, INJURED & ABSENTEE POLICIES

All absences must be submitted on the Google form that will be provided.

ABSENCES : EXCUSED VS. UNEXCUSED

EXCUSED: Sick with a Dr. note, Religious function, School function resulting in a grade, bereavement (immediate family member)

UNEXCUSED: Birthday parties, School dance, Vacation, Banquet, Other sports, Sick w/o Dr. note and not contagious, etc.

SICK OR INJURED

A sick athlete must present a doctor's note to have the absence be considered excused. Unless contagious, a sick or injured athlete is expected to be present for practice to observe. Excessive excused absences may jeopardize the athlete's position in the routine and on the team. Injured athletes must be cleared by a doctor to return. Return to the routine/competition will be at the coach's discretion based on current timing and what is in the best interest of the team.

ABSENCES

Every cheerleader is required to be at every practice, camp, choreography session, special event, competition, and awards session.

Summer practice attendance is very important for skill building purposes. We ask that no athlete miss more than two weeks of practice during the months of June, July, and August. You must provide any dates you will be missing to your coach via Band AND the Google Form.

Starting in September, each cheerleader will receive TWO unexcused absences, which can be used at your discretion.

Practices during BLACKOUT WEEK (the week of competition) CANNOT be missed. Unexcused absences may NOT be used during this week. If a practice is missed during BLACKOUT WEEK, you are jeopardizing your athlete's spot at that competition. This is up to the discretion of the coach.

We strongly encourage you to coordinate your own vacations with gym closings.

Please note that if you do not adhere to the above rules, you can be removed from the team. NJ PREMIER reserves the right to remove any athlete from the program because of excessive absences.
