

A To the best of my knowledge, I parked on Clark Street and then after parking on Clark Street, I got out and was walking around then--just walkin' around. And I happened to run into this guy that was standing outside there. I just said hello to him I guess. I don't know if he came to me and asked me a question about where a, a street was or what it was--I don't know how the conversation got started.

Q (SA) What did you do at that point?

A He, he was explaining that he had time to kill and so I was just fuckin' around. He said he had time to kill ... Yeah, cause he said somethin' about, he had missed his bus or he was laid over waiting for a bus until noon.

Q (SA) What did he look like?

A I think about 19 or 20 years old, blond headed, blond headed with blue eyes. He had, I think, Levi's on and uh large belt buckle on ... blue and white checks or green and white checks- sort of like a lumber jacket - type- It would have to be a green, Oldsmobile, station wagon... yeah, cause I think I still had the first Oldsmobile that I had gotten since I come out of the institution.
