

- Q (RMM) Do you remember, what was the date you said you met Jack Hanley for the first time?
- A Would have to be in the winter cause it was during hockey season--cause that was--hockey season was the only season that I worked late hours.
- Q (RMM) The winter of what--'75?
- A No. Jack Hanley was '71.
- Q (RMM) '71?
- A '70 or '71, cause I was cooking for the Blackhawks.
- Q (RMM) Do you remember specifically the first time you ever used the name? Remember specifically.
- A No. No I would have to just assume that I, I used it.
- Q (RMM) What makes you think you used it at all, John?
- Q (SA) Yeah, why do you say you used the name Jack Hanley?

Q (RMM) If you don't remember specifically.

A Well, because I, hear, when, when you, when you picked up a prostitute, an, and you cut a deal for money and then they kept insisting that I was a police officer then I, I'd come back as a police officer, ya know, I says, "yeah, I'm Jack Hanley".

Q (RMM) Do you remember that?

A Yes.

Q (SA) You mean, they kept insisting you were a police officer and you came back as a police officer?

A We-well, they kept insisting, ya know? They said, no, no, I don't want no cop, but I'll do anything you want, but I don't want any.....I says "fine", I said, "if you ever need a favor, just, just tell 'em you know Jack Hanley." But I used to always tell them I was a vice officer. I don't know, for, for some, for some reason....

Q (SA) Was Jack Hanley a homosexual?

A No. In fact, I don't think he likes 'em.

Q (SA) Who doesn't like them, Jack Hanley the vice officer?

A No, well, I don't, I don't, ya know, I didn't like homosexuals.

Q (SA) Jack Hanley, who you say you were, did he ever participate in any kind of homosexual activities? Was he homosexual, Jack Hanley, or was he bi-sexual?

A Well he was more in to....

Q (SA) Did Jack Hanley ever participate in heterosexual activities, did he ever have sex with a woman, the Jack Hanley who you were....at night?

A Only prostitutes.

Q (RMM) Male prostitutes?

A No. Female prostitutes too. I used to, ya see, I told you this before, Sam, they keep goin' over all of this stuff and they keep stating that everybody I picked up was male and they also stated that I hung around gay bars. To the best of my knowledge, I have never been in a gay bar other than the one

time which I think was in 1975 with Florence Johnson's two sons, and it was long around 2:30 in the morning and, we were, I was going, actually into Uptown, ya know, we had left New Town, we had went to a hockey game, we had dinner at Bruno's. From there we went bar hopping, we stopped at the Crystal Pistol on, on Wells and we, we bar hopped from there.....

Q (SA) Any other bars?

A Crystal Pistol, no, that's a, that's a drinking bar....

Q (RMM) They used to have go-go-girl dancers in there.

A Yeah stripper chicks. And from there we headed down a, we were goin' down Clark Street, and they said, in fact, we stopped at the Gold Digger on Clark, around close to Fullerton. Then from there, we kept goin' down we just kept hittin' different spots. They wanted to stopped at the Annex they seen the sign Annex and they said, "there's a place that's still open", I said, "no, you don't want to go in there cause its gay", they says "no, well let's go in". So we went in there and the place was packed, so they, they assumed that the place was jumping so we, we had tried a couple of beers, we ordered a round of beers and before we could even finish 'em, they wanted to leave.

Q (SA) Let me interrupt you, you said you had sex with female prostitutes as well as male prostitutes, right?

A Oral copulation.

Q (SA) OK, now they participate in the same type of games, extortion, and things like that, right, female prostitutes as male prostitutes, don't they?

A Yeah, I would imagine could, but the thing of it is is that most of 'em, uh, oral copulation was performed in the car or in an alley or something like that or under the el tracks.

Q (SA) How come you never killed a female prostitute?

A I don't know.

Q (SA) They're cunts, I mean they get, ya know.....

A I don't...

Q (SA) They want to extort money out of you.

A Yeah, but I don't know if I ever did kill anybody..

Q (SA) What do you mean?

Q (RMM) Do you know whether or not any of those bodies recovered were female or male?

A I don't know, I don't recall, I don't recall. Just, just like what's been going over in my mind that, uh, "where the hell did I come up with the number that I come up with?" Where did I come up with the twenty seven? Or twenty six in the house and one in the garage....Where do, where did I get those numbers I rack my brain here....

Q (SA) Alright, let's talk about that. Let's go over it.

A I keep goin' over and over and over and over--I don't, I don't recall, and now when he jogs my mind....

Q (SA) I wish we had some booze in here, because you seem to recall when you drink....Remember that night in my office you were drinking, do you remember when you had the drink in my office?

A No, I don't remember drinking at your office.

Q (SA) You had almost a whole fuckin' bottle of V.O., you had about, at least a cup and a half of V.O., it was a big cup, ya know, it was a coffee cup. I put a little bit in and you said fill it up. I filled the whole thing, you drank it down and I gave you more and you were sipping on it.

A I don't recall it. I know we had done Valium before....
