

my mother had a shower that night, uh,--oh, my mother had taken a shower at nighttime and, and had thrown her underwear in, in the hamper. Next morning, she went to wash clothes and her underwear wasn't in, in the, uh, in the laundry. And she found it underneath the back porch. So what she did to embarrass me with it is that she got a clean pair and made me put 'em on and wanted me to go out with 'em on, and I, I didn't go out, but it embarrassed me in front of my sister.

Q. Was your dad there too?

A No, he knew about it told him it was somethin' she had done during the day. I never had any fixation on anything like that after that.

Q Really shocked you, or embarrassed you?

A Yeah, just, just the embarrassment, yeah.

Q And that's the only thing you can remember as

A As being embarrassing, yeah.

Q Any other things you hid from your mother or father?

A No.
