I am a native of Vasteras/Stockholm, Sweden reside in San Antonio since September, 2012 by way of Cocoa Beach, FL (12 years) and Poteet, TX (6 years).

I do not have a college degree in art. However art was part of the “mandatory” curriculum thorough high school in Sweden. I spent a year as an exchange student/senior in Fisher Minnesota (1974/1975).

I graduated from Stockholm School of Economics with a degree in Business Management and Economics.

I was introduced to watercolor by studying with Linda Neal in Melbourne, FL 2004- 2006.

I often connect with a “moment”, a “scenery” or “colors” of nature and capture it plein air, by drawing and/or with my camera to bring back home for painting in my studio. I paint what I LOVE and I LOVE what I paint.

I have added collage, acrylics, colored pencil and crayons to my art “toolbox”.

I have studied with the following artists:

Betsy Dillard Stroud, 2007 workshop, San Antonio, TX.

Warren Taylor, 2008 workshop, San Antonio, TX.
