PROGRAM SUMMARY

The Facilitators Empowerment Mentorship (FEM) Program is an innovative initiative spearheaded by Jijenge Youth Organisation in collaboration with Better Me Kenya.

Recognizing the critical role community developers play in society and the myriad challenges they face, the program aims to create a supportive environment for these individuals.

It provides a forum for community developers, including volunteers and staff from both Jijenge Youth Organisation and Better Me Kenya, as well as representatives from various community-based organizations (CBOs), to share their experiences, network, and engage in knowledge-building sessions.

OBJECTIVE

The primary objectives of the Facilitators Empowerment Mentorship Program are:

1. Experience Sharing: To provide a safe space for community developers to discuss their experiences and challenges in their community work.
2. Networking: To foster connections among in-country volunteers from local CBOs and Better Me volunteers.
3. Knowledge Exchange: To conduct weekly knowledge sessions focused on key developmental topics.

Weekly Thursday Sessions
