

# Quantum Reflex Analysis (QRA) Level One Certification

Elevate your practice with Energy based testing.

Empower your Practice. Empower your patients and clients.

**Meet Your Instructor:** Dr. Tracy Teclaw BCND,ND and **Certified Quantum Diplomat<sup>SM</sup> for Premier Research Labs**, will be your guide throughout this transformative training. With over 20 years of clinical experience, Dr. Tracy brings a wealth of knowledge, practical insight, and deep expertise in Bioenergetics, Energy Medicine, Kinesiology, and Natural Medicine. Trained directly by Dr. Bob Marshall, she has successfully integrated Quantum Reflex Analysis<sup>SM</sup> (QRA<sup>SM</sup>) into her practice for over 15 years.

Quantum Reflex Analysis<sup>SM</sup> (QRA<sup>SM</sup>) Is a proprietary scientifically grounded method in kinesiological testing. Incorporates principles in Ayurvedic, Chinese Medicine, and Quantum physics. Utilizes the body's subtle energy system referred to as the Biofield, rooted in Acupuncture Meridians. QRA tells us what the body needs to bring it back to ideal health. QRA<sup>SM</sup> was created and perfected by Dr. Robert Marshall & Dr. Linda Forbes.

<b>2 day Seminar: Date, Time, &amp; Location</b>	<p><b>September 24th, 2025 10:00am - 5:00pm and September 25th, 2025. 10:00 - 3:00pm Option Q&amp;A 3-5</b></p> <p><b>Micro Hotel by Wyndham 180 Goulding Ave, Aurora, ON L4G372</b></p> <p>Auroa was chosen to keep the cost down for you, less traffic, several healthy food options close by, beautiful walking trail for breaks, Go line stop close by and right off of the 404.</p>
<b>Why Learn QRA<sup>SM</sup>?</b>	<p>QRA<sup>SM</sup> is a revolutionary system that integrates quantum physics, biochemistry, acupuncture meridians, and kinesiology to address health concerns at their root. The body's energy fields are analyzed using precision techniques, allowing practitioners to identify disruptions often missed by conventional methods.</p> <hr/> <p>QRA<sup>SM</sup> employs 37 main acupuncture, Marma and specialty points in the body. Learn the perfected form of the Bi-Digital Oring testing method by Dr. Robert Marshall &amp; Dr. Linda Forbes based on (BDort) by Dr. Yoshiaki Omura which has been recognized in several prestigious journals.</p>

<b>What You Will Learn</b>	<ul style="list-style-type: none"> <li>• Pinpoint individual nutritional requirements and problem areas to rapidly restore the ideal cellular resonance to the body.</li> <li>• Detect nutritional imbalances. Identify Interference Fields (IF's) trauma areas in or on the body that could impede the healing and recovery process.</li> <li>• Identify EMF stress which can be destructive to our energy fields and assist in remediation EMF exposure, also identify ideal Vastu building energetics and create a healthy environment inside an outside the home or office.</li> <li>• ERT (Emotional Reflex Technique) repolarize emotional stress and remove negative concepts.</li> </ul>
<b>Who should take this certification course?</b>	<p>This training is ideal for health practitioners, including:</p> <p>*Medical Doctors *Naturopaths *Chiropractors *Acupuncturist *Nutritionist *Health and Life Coaches *Integrative and Functional Medicine Practitioners *and those who would like to take their kinesiological training to the next level.</p>

## QRA Quantum Reflex Analysis

*An advanced form of kinesiology using acupressure points to assess the bioenergetic status of key organs and glands*

- Totally *noninvasive* testing
- Tests for nutrient biocompatibility
- Pinpoints weaknesses in the body
- Provides *precise and reproducible* results
- Identifies the *underlying cause* of health issues
- The result of three decades of intensive research
