

**Part I: Affordable Housing Program Residential Lease Agreement
Terms and Conditions**

This Lease Agreement (called the Lease) is between the Knox County Housing Authority, (called KCHA) and Tenant named in Part II of this lease (called Tenant).

1. Description of Parties and Dwelling Units:

1.1. KCHA, using data provided by Tenant about income, family composition, and needs, leases to Tenant, the property (called Dwelling Unit) described in Part II of the Lease Agreement, subject to the terms and conditions contained in this Lease.

1.2. Dwelling unit must be the sole private residence/domicile of the Tenant and the authorized family members named on Part II of the Lease. Only Tenant and his/her household members identified in Part II of the Lease may occupy the unit.

1.3. The resident and authorized members shall have the right to exclusive use and occupancy of the dwelling unit. The resident and authorized members shall not assign the Lease, nor sublease the dwelling unit.

1.4. The dwelling unit must be used only as a private residence solely for the resident and authorized members named on the Lease. The resident must request and receive prior written approval from the KCHA for the resident to use their dwelling unit for legal profit-making activities incidental to the primary use of the dwelling unit.

1.5. The resident shall have the right to allow individual guests or visitors for a period up to 30 calendar days in a calendar year; however, each visit cannot exceed seven consecutive calendar days. If the resident wishes a guest to remain longer than seven consecutive days or more than 30 calendar days in a calendar year, the resident must submit a written request to the property manager. The KCHA will not unreasonably deny a request for an extension.

1.6. The KCHA may ban/bar visitors who engage in any behavior that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents, KCHA employees, agents of the KCHA, or other persons, including criminal activity cases. Visitors banned for such behavior will be restricted from entering KCHA properties. A resident will be notified by KCHA and/or property manager when a guest of his/hers has been banned. Residents may grieve the KCHA's decision to ban a visitor in accordance with the KCHA Grievance Procedure and the KCHA Ban/Bar Policy.

1.7. Tenant shall report any deletions of the household members named on Part II of the Lease to the KCHA in writing, within ten (10) calendar days of the occurrence. Tenant shall date and initial Part II of the Lease whenever a household member moves into or out of the dwelling unit.

1.8. Violation of any of the terms of this Lease Section is cause for termination of tenancy.

2. Lease Term and Amount of Rent

2.1. Unless otherwise modified or terminated in accordance with Section 16, this Lease shall automatically renew for successive terms of one (1) year, except for instances of nonrenewal. The rent amount is stated in Part II of this Lease. Rent shall remain in effect unless adjusted by the KCHA in accordance with Section 6 herein. The amount of Total Tenant Payment and Tenant Rent shall be determined by the KCHA in compliance with Illinois State Law and HUD regulations and requirements and in accordance with KCHA's Policy.

2.2. Non-renewal of lease. The KCHA may elect not to renew this Lease Agreement, at its sole discretion. Notice of such non-renewal shall be delivered upon the tenant with sixty (60) day notice of lease expiration.

2.3. Rent is due and payable in advance on the first day of each month and shall be considered delinquent after the fifth (5th) calendar day of the month. Rent may include utilities as described in Section 6 below and includes all maintenance services due to normal wear and tear. When KCHA makes any change in the amount of Total Tenant Payment or Tenant Rent, KCHA shall give written notice to Tenant. The notice shall state the new amount

and the date from which the new amount is applicable. For project-based Section 8 units, rent redeterminations are subject to the Administrative Grievance Procedures. The notice shall also state that Tenant may ask for an explanation of how the amount is computed by the KCHA. If Tenant asks for an explanation, the KCHA shall respond in a reasonable time.

2.4. Notice of Rent Adjustment and Grievance Rights: When the KCHA makes any increase in the rent amount, the KCHA shall provide written notice stating the effective date of the rent adjustment to the resident no less than 30 days prior to the effective date. If the rent decreases, the KCHA may provide less than a 30-day notice, if necessary. The resident may ask for an explanation of the specific grounds of the decision of the KCHA concerning rent, dwelling size, or eligibility. For project-based Section 8 units, if the resident does not agree with the decision, the resident shall have the right to request a hearing under the KCHA Grievance Procedure.

3. Other Charges

In addition to rent, Tenant is responsible for the payment of certain other charges specified in this Lease. The type(s) and amounts of other charges are specified in Part II of this Lease Agreement. Other charges can include:

3.1. Maintenance Costs—The cost for services or repairs due to intentional or negligent damage to the dwelling unit, common areas or grounds beyond normal wear and tear caused by Tenant, household members or guests. When KCHA determines that needed maintenance is not caused by normal wear and tear, Tenant shall be charged for the cost of such service, either in accordance with the Schedule of Maintenance Charges posted by the Affordable Housing Program (AHP) or (for work not listed on the Schedule of Maintenance Charges) based on the actual cost to KCHA for the labor and materials needed to complete the work. If overtime is required, overtime rates will be charged accordingly.

3.2. Parking Violation Charges – A charge for unauthorized parking will be assessed to the Tenant’s account in accordance with Schedule of Other Charges.

3.3. Trash Violation Charges – Tenant is responsible to securely bag their trash and take their trash from their unit directly in to the trash container. If Tenant leaves trash left out at porches or on landings or on the ground near the trash container areas, Tenant will be assessed a trash violation charge. Tenant in violation of trash disposal procedure in excess of three (3) times in a rolling calendar year, will face adverse action, up to and including termination of lease. Trash violation charges will be assessed in accordance with the current established Trash/Waste Management Violation Charges schedule. Tenant in violation of trash pickup procedures in excess of three (3) times in a rolling calendar year, will face adverse action, up to and including termination of lease. The trash procedures/pickup applies to AHP sites operated by KCHA.

3.4. Pet Violation Charges – Ticket violation charges will be assessed to pet owner failing to clean up waste (feces) left by the pet as specified in the KCHA Pet Policy for first offense and second offense. Fourth offense shall constitute permanent removal of pet from resident’s unit and loss of pet privileges for a minimum of one year.

3.5. Late Charges—A late charge will be assessed for payment of rent or other charges after the due date in accordance with Part II of the Lease Agreement.

3.6. KCHA shall provide written notice of the amount of any charge or surcharge in addition to Tenant Rent and when the charge or surcharge is due. Charges or surcharge, other than rent, are due two (2) weeks after Tenant receives KCHA’s written notice of the charge or surcharge.

3.7. For project-based Section 8 units, the Tenant shall be required to pay retroactive rent resulting from, among other things, a Tenant’s failure to provide adequate documentation, report changes in a timely manner or otherwise misrepresent income or family circumstances to the KCHA. Retroactive rent may be paid to the KCHA under a repayment agreement, between the Tenant and the KCHA. The Tenant’s failure to pay retroactive rent shall constitute non-payment of rent and, in such cases, the KCHA shall have the right to terminate this lease and obtain possession of the dwelling unit pursuant to available legal remedies.

3.8. Payment Location: All payments must be made by check or money order at the Management Office, or mailed to 301 Huston Street, #45 Management Office, Galesburg, IL 61401. Online payments may be made at

www.knoxcountyhousing.org. The KCHA will not accept cash payment. There will be a twenty-five dollar (\$25.00) charge on any returned check. Tenants who have submitted a returned check will be required to make all further payments by money order or cashier's check.

4. Security Deposit

4.1. Tenant Responsibilities—Tenant agrees to pay the required amount for security deposit as noted in Part II of this Lease.

4.2. Security deposit amount is equal to one month rent at time of move-in. For project-based Section 8 units, the Security deposit amount shall be equal to the Calculated Total Tenant Payment (TTP); or \$50 whichever is greater.

4.3. KCHA Responsibilities—After Tenant vacates the dwelling unit and the premises have been inspected by the KCHA, the Security Deposit shall be refunded to Tenant, less any charges for:

4.3.1. Payment of court costs, expenses, and attorney fees incurred in enforcing this lease or in recovering possession of the dwelling unit unless the Tenant prevails in such legal action;

4.3.2. To collect the cost of repairing any damages and cleaning caused by the resident, resident authorized members, resident's pet(s) and animal(s), or guest(s), or other person(s) under the resident's control, excluding reasonable wear and tear.

4.3.3. The cost of keys not returned to the Management Office;

4.3.4. As collection for any rent that has not been validly withheld or deducted based on state or federal law or local ordinance; and

4.3.5. Prorated rent if required written notice of intent to vacate is not provided.

4.4. The Security Deposit may not be used to pay rent or other charges while Tenant occupies the dwelling unit. No refund of the Security Deposit will be made until Tenant has vacated the dwelling unit, the KCHA has regained possession of the unit and the KCHA has inspected the unit.

4.5. Residents transferring from one KCHA unit to another unit within the same development will have the security deposit credited to the new unit. If the resident transfers from one KCHA development to a different development, the KCHA will refund the resident's security deposit minus any damages assessed. The resident will be responsible for paying a security deposit for the new dwelling unit equal as required at the time of move-in.

4.6. The KCHA shall deposit the security deposit in an interest-bearing account, which shall be credited to the resident upon end of participation. The return of a Security Deposit, less any amounts owed, shall occur within thirty (30) days after the Tenant has vacated. KCHA agrees to return the Security Deposit, if any, to Tenant when he/she vacates, less any deductions for any costs indicated above, so long as Tenant furnishes KCHA with a forwarding address and thirty (30) days notice of intent to vacate (written notice not applicable to death during tenancy). Penalty for failing to provide proper thirty (30) days written notice prior to vacating is forfeiture of deposit. If any deductions are made, KCHA will furnish Tenant with a written statement of any such deductions from the Security Deposit.

4.7. If no forwarding address is provided and KCHA is unable to locate Tenant within ninety (90) calendar days, the Security Deposit balance shall be forfeited to the KCHA. Tenant understands and agrees it is his/her responsibility to provide KCHA with a valid forwarding address.

5. Utilities and Appliances

5.1. KCHA-Supplied Utilities—If indicated by an (X) on Part II of this Lease, KCHA will supply the indicated utility: electricity, natural gas, heating fuel, water, sewer, and/or trash collection. KCHA will not be liable for the failure to supply utility service for any cause whatsoever unless the KCHA acted intentionally or negligently in not supplying utility services. If indicated by an (X) on Part II of this Lease, KCHA will provide a cooking range, refrigerator or other specified appliance. Other major electrical appliances, air conditioners, freezers, extra refrigerators, washers, dryers, etc., may be installed and operated only with the written approval of KCHA.

5.2. Tenant-paid Utilities.

5.2.1. Residents must obtain and maintain utility connections for which they are responsible throughout tenancy. Residents must pay their utility bills to ensure that utilities remain connected. Failure to maintain the utility connection is a serious violation of the lease, subject to lease termination.

5.2.2. For project-based Section 8 units, if KCHA does not supply electricity, natural gas, heating fuel, water, sewer service, or trash collection, a Utility Allowance shall be established, appropriate for the size and type of dwelling unit, for utilities Tenant pays directly to the Utility Supplier. The Total Tenant Payment less the Allowance for Utilities equals Tenant Rent. If the Allowance for Utilities exceeds Total Tenant Payment, KCHA will pay a Utility Reimbursement each month. If Tenant's actual utility bill exceeds the Allowance for Utilities, Tenant shall be responsible for paying the actual bill to the supplier. If Tenant's actual utility bill is less than the Utility Allowance, Tenant shall receive the benefit of such savings.

5.2.3. For project-based Section 8 units, KCHA may change the Utility Allowance at any time during the term of the lease and shall give Tenant (30) days written notice of the revised Utility Allowance along with any resultant changes in Tenant Rent or Utility Reimbursement.

5.2.4. Tenant agrees not to waste utilities provided by the KCHA and to comply with any applicable law, regulation, or guideline of any governmental entity regulating utilities or fuels or restrictions of specific appliances.

5.2.5. Illegal tampering with utility metering devices shall be considered a violation and grounds for termination of this Lease.

5.2.6. Tenant agrees to maintain sufficient heat to prevent freezing of piped water. If for any reason the Tenant is unable to maintain sufficient heat, he/she shall immediately notify the KCHA. Failure to notify the KCHA of frozen or damaged water pipes is grounds for termination of this Lease pursuant to Section 15.

6. Terms and Conditions

6.1. Use and Occupancy of the Dwelling Unit—Tenant shall have the right to exclusive use and occupancy of the dwelling unit for Tenant and other household members listed on Part II of this Lease Agreement. With the prior written consent of the KCHA, members of the household may engage in legal profit-making activities in the dwelling unit. Reasonable accommodation of the Tenant's guests or visitors for a period not to exceed thirty (30) cumulative days per year is permitted. Permission may be granted, upon written request to the Manager, for an extension of this provision.

6.2. Ability to Comply with Lease Terms—If during the term of this Lease, Tenant by reason of physical or mental impairment is no longer able to comply with the material provisions of this lease, and cannot make arrangements for someone to aid him/her in complying with the Lease, and KCHA cannot make any reasonable accommodation that would enable Tenant to comply with the Lease then; KCHA will assist Tenant, or designated member(s) of Tenant's family, to find more suitable housing and move the Tenant from the dwelling unit. If there are no family members who can or will take responsibility for moving Tenant, KCHA will work with appropriate agencies to secure suitable housing and will terminate the lease. At the time of admission, all Tenants must identify the family member(s) to be contacted if they become unable to comply with the Lease terms.

6.3. Redetermination of Rent, Dwelling Size, and Eligibility—The rent amount as fixed in Part II of this Lease Agreement is due each month until changed as described below:

6.3.1. Scheduled Reexaminations

6.3.1.1. The KCHA will reexamine family composition annually of all families. The KCHA will conduct a reexamination of income at *least* once every three years for all families not in project-based Section 8 units

6.3.1.2. The KCHA will conduct a reexamination of income, deductions and family composition at least once every year of families in project-based Section 8 units.

6.3.1.3. All adult members of the household (other than persons working or in school at the time of the appointment) must accompany the head of household to the recertification interview.

6.3.2. Tenant agrees to supply KCHA, when requested, with accurate information about family composition, age of family members, income and sources of income for all family members, assets, and related information necessary to determine eligibility, annual income, adjusted income and rent. Failure to supply such information when requested is a serious violation of the terms of the Lease and shall be grounds for termination of the Lease. All required information must be verified. Tenant agrees to comply with KCHA requests for verification by signing releases for third-party verifications, presenting documents for review, or providing other suitable forms of verification. KCHA shall give Tenant reasonable notice of what actions Tenant must take and of the date by which any such action must be taken for compliance under this section. This information will be used by KCHA to decide whether the amount of rent should be changed and whether the dwelling size is still appropriate for the Tenant's needs. This determination will be made in accordance with the Admissions and Continued Occupancy Policy, which is publicly posted in the KCHA office.

6.3.3. The Tenant agrees to pay adjusted rents and back charges, if any, in accordance with the approved Schedule of Rents and Charges and to accept a "Notice of Rent Adjustment" delivered as prescribed in Section 2.4.

6.4. Rent will not change during the period between regular reexaminations, UNLESS during such period:

6.4.1. For project-based Section 8 units, rent was calculated based on false or incomplete information supplied by the Tenant. If it is found that Tenant has misrepresented the facts upon which the rent is based so that the rent Tenant is paying less than the rent that he/she should have been charged, the KCHA will apply an increase in rent retroactive to the first of the month following the date the misrepresentation occurred;

6.4.2. It is found that an error was made at admission or reexamination. (Tenant will not be charged retroactively for errors made by the KCHA.);

6.4.3. It is impossible to verify the Tenant's income at the regular reexamination and a temporary rent was charged. Tenant agrees to report to the KCHA every thirty (30) calendar days until a regular rent can be set. Such rent will be effective the date the temporary rent was set, and any overpayment will be credited to the Tenant's account and any underpayment will become due and payable;

6.4.4. For project-based Section 8 units, The KCHA will conduct an interim reexamination of family income any time the family's adjusted income is estimated to decrease by ten (10) percent or more. The Tenant must report any and all changes in income and composition within ten (10) calendar days of such change. Changes reported after the 25th day of each month will be considered after the 1st day of the next month and rent will be adjusted in accordance with the current KCHA Admissions and Continued Occupancy Policy and HUD regulations;

6.4.5. For project-based Section 8 units, Tenant can show a change in circumstances, such as loss of job, emergency, medical costs, etc., or a decline in income that would justify a reduction in rent pursuant to HUD regulations;

6.4.6. For project-based Section 8 families, The KCHA will conduct an interim reexamination of family income any time there is an increase in a family's cumulative income of \$200 or more a month.

6.4.7. For project-based Section 8 units, HUD regulations require a rent increase or a decrease/increase in the utility allowance.

6.4.8. For Tenant's paying market rent, KCHA determines a need for a rent increase and proper notice is given.

6.5. Changes in the Household

6.5.1. Children born, adopted, and/or granted through a court-awarded custody agreement (excluding foster care arrangements) to a current member of the household during tenancy will automatically be added to the Lease upon prompt notice (within 10 calendar days of the occurrence) by the resident.

6.5.2. The addition of foster children, foster adults, kinship care children, and live-in aides to the household, require the prior written approval of the KCHA. The KCHA will not approve lease addition requests for adults retroactively. Exceptions will be made for legally protected relationships or extenuating circumstances determined at the sole discretion of the KCHA. Any such approval is required prior to bringing the person(s) into the household. Person(s) residing in the household without KCHA approval will be considered unauthorized occupants, and the entire household will be subject to lease termination.

6.5.3. Prior written approval to add a live-in aide is required and shall not be unreasonably refused. Live-in aides are required to meet all admissions screening criteria except employment. A live-in aide resides in the unit for essential care and necessary supportive services to one or more elderly, near elderly residents, or a resident with a disability. A live-in aide is not required to share a bedroom with another member of the household and may be assigned his/her own bedroom. A live-in aide may not move into a unit if it would create overcrowding as defined by KCHA occupancy standards. However, a resident may be transferred as reasonable accommodation to allow a Live-in aide. If the addition of the live-in aide will not overcrowd the current unit, the KCHA will not transfer the resident or increase the bedroom size. A resident's bedroom size will not be adjusted to allow the family members of a live-in aide; a live-in aide's family members cannot cause overcrowding in the unit. Live-in aides have no rights as remaining family members regardless of the familial relationship and upon the death, eviction, departure, or abandonment of the assisted resident family member, the live-in aide must leave the unit. Failure to leave is cause for eviction.

6.5.4. The KCHA shall approve or disapprove a resident's request to allow a foster child, foster adult, kinship care child, live-in aide, or adult to be added to the lease and move into the dwelling unit within 30 business days of receipt of the request. This time period can be extended if there is a delay beyond the control of the KCHA or the resident.

6.5.5. Resident authorized members who move out of the dwelling unit, for any reason, shall be reported by the resident to the KCHA in writing within 10 calendar days of the occurrence.

6.5.6. Remaining family members: If the head of household dies, continued occupancy by remaining family members is only permissible if there is at least one family member on the Lease living in the household who can pass applicant screening and is 18 years old or over or an emancipated minor. The household must be lease compliant at the time of the request.

6.5.7. When a head of household leaves a household with children or adults with a disability who cannot assume the role of the head of household, and there is no remaining family member to assume the head of household role, the lease will be terminated. Subject to program eligibility and voucher availability, the KCHA may offer either an HCV or a public housing unit to the permanent legal custodial guardian.

6.5.8. A new head of household, under the above paragraph will be charged for any arrearages incurred by the former head of household. The KCHA reserves the right to establish a payment plan with the new head of household. Consideration will be given to whether an eviction for arrearages would result in the separation of the family.

6.5.9. If this Lease is an extension of occupancy by the resident's household under a prior Lease or Leases with the KCHA, any amounts due under the prior Lease or Leases may be charged and collected as if the amounts due occurred under this Lease.

6.5.10. All changes in family composition must be reported to the Manager within ten (10) calendar days of the occurrence. For project-based Section 8 families, failure to report within this timeframe may result in a retroactive rent charge. This Lease will not be revised to permit adult children to move back into the unit unless it is determined that the move is essential for the mental or physical health of the Tenant and it does not result in overcrowding the unit Tenant is currently occupying.

6.6. Rent Adjustments—Tenant will be notified in writing of any rent adjustment due to the situations described above; all notices will state the effective date of the rent adjustment. For project-based Section 8 units, all adult members of the household are required to sign the HUD-50059 any time there is a rent adjustment.

6.6.1. In the case of rent decrease, the adjustment will become effective the first (1st) day of the month following the date the Tenant reported the change.

6.6.2. In the case of rent increase, when an increase in income occurs after a prior rent reduction, and is reported within ten (10) calendar days of the occurrence, the increase will become effective the first day of the month following the expiration of a thirty (30) day notice.

6.6.3. In the case of rent increase due to misrepresentation, failure to report a change in family composition or increase in income, the increase in rent will be retroactive to the 1st of the month following the month in which the change occurred.

6.7. Zero Rent or Provisional Rent—If a project-based Section 8 Tenant is placed on zero rent, the Tenant must report in person to the KCHA every sixty (60) calendar days until a regular income is established. Failure to report to the KCHA in person every sixty (60) calendar days as required shall be considered grounds for termination of this Lease.

6.8. Transfers

6.8.1. The KCHA may require the tenant to move from the unit under some circumstances. There are also emergency circumstances under which alternate accommodation for the tenant must be provided, that may or may not require a transfer.

6.8.2. The tenant may also request a transfer, such as a request for a new unit as a reasonable accommodation or for a larger or smaller unit. All such requests must be remitted in writing to the Management Office.

6.8.3. Emergency transfers that arise due to maintenance conditions are mandatory for the tenant. If the transfer is necessary because of maintenance conditions, and an appropriate unit is not immediately available, the KCHA will provide temporary accommodation to the tenant by arranging for temporary lodging at a hotel or similar location. If the conditions that required the transfer cannot be repaired, or the condition cannot be repaired in a reasonable amount of time, the KCHA will transfer the resident to the first available and appropriate unit after the temporary relocation.

6.8.4. KCHA will bear the reasonable costs of temporarily accommodating the tenant and of long-term transfers, if any, due to emergency conditions. The reasonable cost of transfers includes the cost of packing, moving, and unloading.

6.8.5. The types of transfers that may be required by the KCHA include, but are not limited to, transfers to make an accessible unit available for a disabled family, transfers to comply with occupancy standards, transfers for demolition, disposition, revitalization, or rehabilitation, and emergency transfers.

6.8.6. The KCHA will transfer a family when the family size has changed and the family is now too large (overcrowded) or too small (over-housed) for the unit occupied. For purposes of the transfer policy, overcrowded and over-housed are defined as follows: Overcrowded: the number of household members exceeds the maximum number of persons allowed for the unit size in which the family resides. Over-housed: the family no longer qualifies for the bedroom size in which they are living based on the KCHA's occupancy standards. The KCHA may also transfer a family who was initially placed in a unit in which the family was over-housed to a unit of an appropriate size based on the KCHA's occupancy standards, when the KCHA determines there is a need for the transfer.

6.8.7. The KCHA will relocate a family when the unit or site in which the family lives is undergoing major rehabilitation that requires the unit to be vacant, or the unit is being disposed of or demolished. The KCHA's relocation plan may or may not require transferring affected families to other available AHP housing units. If the relocation plan calls for transferring AHP housing families to other AHP housing units, affected families will be placed on the transfer list.

6.8.8. If a Tenant makes a written request for special unit features in support of a documented disability, KCHA shall modify Tenant's existing unit if costs are determined to be reasonable.

6.8.10. The types of requests for transfers that the KCHA will consider are limited to requests for transfers to alleviate a serious or life threatening medical condition, transfers due to a threat of physical harm or criminal activity, reasonable accommodation, transfers to a different unit size as long as the family qualifies for the unit according to the KCHA's occupancy standards, No other transfer requests will be considered by the KCHA.

6.8.11. Except where reasonable accommodation is being requested, the KCHA will only consider transfer requests from residents that meet the following requirements: Have not engaged in criminal activity that threatens the health and safety of residents and staff; owe no back rent or other charges, or have a pattern of late payment; have no housekeeping lease violations or history of damaging property; can get utilities turned on in the unit to be transferred into. A resident with housekeeping standards violations will not be transferred until the resident passes a follow-up housekeeping inspection.

6.8.12. When a family transfers from one unit to another within a development, the KCHA will transfer their security deposit to the new unit. The tenant will be billed for any maintenance or others charges due for the "old" unit. Transfers from one development to another will require a new security deposit to be paid in accordance with security deposit policies.

6.8.13. The resident will bear all of the costs of transfers s/he requests.

6.8.14. KCHA will consider Tenant requests for transfers in accordance with the transfer priorities established in the Admissions and Continued Occupancy Policies.

6.9. Pet Ownership

6.9.1. Prior written approval is required to bring any common household pets or assistance animals on the premises in accordance with the KCHA Pet Policy and this Lease section. Failure to comply with the requirements of the KCHA Pet Policy and this Lease section may be cause for termination of tenancy.

6.9.2. Only one (1) cats or (1) dog, an aquarium larger than one (1) gallon but no larger than fifty-five (55) gallons on the first floor of any apartments or thirty (30) gallons for second floor apartments or the second floor the upper level of any apartments, or a pair of birds, gerbils, hamsters, rabbits, or guinea pigs are permitted on the property. 6.9.4. Each tenant owning a dog or cat agrees, if imposed by the agency, to be charged a non-refundable fee of \$10.00 per month (per household). This non-refundable pet fee will cover reasonable operating costs expended by the KCHA associated to the maintenance of the housing project's common use areas relating to the presence of pets. The pet fee will be included as a separate item on tenant's monthly housing rental bill. This pet fee shall not apply to residents of projects for the elderly and persons with disabilities.

6.9.5. Pet deposits are refunded within 30 calendar days after the resident has moved from the property or the resident no longer has ownership of the pet. KCHA shall have the right to use the pet deposit to pay reasonable expenses attributable to damage caused by the pet. Such expenses can include, but are not limited to, fumigation of the unit and cost of repairs and replacement to the unit. KCHA will notify the resident in writing of any deductions taken from the pet deposit within 30 calendar days.

6.9.6. Prior written approval and verification of the need for an assistance animal from a knowledgeable professional and confirmation by KCHA is required before bringing an assistance animal on the property. Once approved, the qualified resident with disabilities will be exempt from the pet application fee and pet deposit. The assistance animal may not be subject to the size and weight limitations. However, qualified residents with disabilities who have an assistance animal are required to comply with all other parts of the KCHA Pet Policy, KCHA Service/Assistance Animal Policy, KCHA Pet Policy Lease Addendum, and this Lease and will be responsible for all actions caused by the assistance animal.

Any poisonous or life-threatening reptiles and exotic or dangerous animals (e.g., snakes, iguanas, pigs, wild animals such as wolves and big cats, etc.) are not considered common household pets and are not allowed on KCHA property under any circumstances. It is a material violation of the lease to breed any animals in the unit. Failure to comply is cause for lease termination.

6.9.9. All residents owning pets and/or assistance animals are responsible for proper disposal of fecal waste in a manner that will not damage or deface the unit or premises. Failure of the resident to remove and dispose of waste will result in a charge per occurrence, per the KCHA Pet Policy and Lease Addendum. Continued violation is cause for lease termination.

The KCHA may enter the resident's dwelling unit at any time without advance notice when there is reasonable cause to believe an emergency exists that poses an immediate threat to the health, safety, and/or welfare of residents and/or employees. Legitimate emergency conditions will not be used as a pretext for unit inspections.

10.6. If the resident and all adult members of the household are absent from the dwelling unit at the time of entry, the KCHA shall leave a written statement in the dwelling unit specifying the date, time, and purpose of entry prior to leaving the dwelling unit.

If the resident is not at home when the KCHA performs the requested maintenance, the KCHA shall leave a copy of the completed work order in the unit.

12.3. Tenant will pay charges for maintenance and repair beyond normal wear and tear, as reflected in the current "Schedule of Materials & Labor Charges" posted in the Management Office.
