HOW IT WORKS

Step 1 – Receive the Order

The business sends us the delivery request.

Step 2 – Dispatching

A nearby driver is assigned to handle the delivery.

Step 3 – Pickup

The order is collected from the seller or business.

Step 4 – Delivery

The product is delivered directly to the customer.

Step 5 – Confirmation

The business receives delivery confirmation and updates.

BENEFITS FOR ONLINE SELLERS

Focus on Sales

Instead of worrying about transportation and logistics, sellers can focus on growing their business.

Better Customer Experience

Fast and professional deliveries improve customer trust and satisfaction.

More Orders

Reliable delivery services help businesses scale and handle more orders efficiently.

Reduced Operational Stress

We handle the logistics while sellers focus on products and marketing.
