

# Fate's Warning

Lyric: Denny Anthony

Gather back and gather forth expectation following  
Gallivanting power steal enforcing  
Hiding near and far behind indignation crumbling  
Forging way to battle decline inside

We're drowning in the dust  
Hearing the warning, falling blind  
Rescue us! We're dying over greed  
Hearing the warning supersede

Fall aware of the time  
Fate's warning is calling  
Flames burn away all the crime  
Fate's warning is calling

Night exchanging compensate condemnation stumbling  
Necromancy folly, fear increasing  
Open up to reveal, indignation graveling  
Forging way to nurture incline inside

We're drowning in the dust  
Hearing the warning, falling blind  
Rescue us! We're dying over greed  
Hearing the warning supersede

Fall aware of the time  
Fate's warning is calling  
Flames burn away all the crime  
Fate's warning is calling

Fall aware of the time  
Fate's warning is calling  
Flames burn away all the crime  
Fate's warning is calling
