## Introducing the Convergent Leadership™ Series

The **Convergent Leadership™** series prepares intact leadership teams with future-ready leader behaviors while practicing and applying critical skills such as **trust building, continuous feedback, facilitating effective conflict, and leading through change**. Through performance coaching and peer accountability, teams will align your organizational values to their leadership behaviors and activate the foundations of a healthy and high-performing culture that can scale and propel your company.

<b>Convergent Leadership™ Series</b> <i>(Virtual or Onsite Delivery)</i>	
<b>Session 1: Everything DiSC Work for Leaders® -or- Five Behaviors of a Team® Workshop</b>	Diagnose and deep-dive into current leadership team behaviors to understand team and individual alignment to leadership best practices.
