CLOUD CAMP

That Top of the World Feeling

BUILT ON the site of our founder's original lodge, Cloud Camp channels Spencer Penrose's vision into an elegantly rustic retreat 3,000 feet above The Broadmoor. Featuring 15 cabins plus seven lodge rooms, all details are taken care of — from meals prepared by Broadmoor chefs to recreation, beverages and transportation.

For group functions, Cloud Camp's Overlook shines, offering a 1,500 square-foot meeting and event space plus stunning views of Colorado Springs from the expansive deck.

EMERALD VALLEY RANCH

A HIDDEN GEM

Nestled within Pike National Forest — just a half hour from The Broadmoor — lies the Ranch at Emerald Valley, an adventurer's all-inclusive haven. Thirteen impeccably appointed cabins feature modern amenities, gas fireplaces and comfortable furnishings.

The Ranch's Hill Cabin is ideal for smaller gatherings. Along with access to mountain activities, a dedicated Broadmoor Ranch staff and on-site chefs elevate your experience.

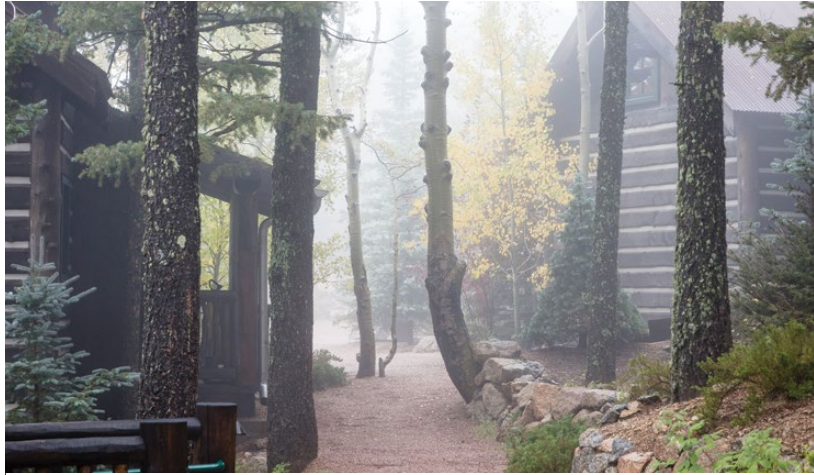

FLY FISHING CAMP

Go with the Flow

WORLD - CLASS angling meets exceptional private accommodations at the Orvis-endorsed Fly Fishing Camp. Just 90 minutes from The Broadmoor, campers enjoy exclusive access to more than five miles of the pristine Tarryall River, plus Broadmoor-quality food and service.
