Holiday Catalog

Support Sara's Pets and Plants pet rescue, and other small/local businesses during the holiday season! Part of the proceeds of all the products sold in this catalog will benefit the animals at Sara's Pets and Plants!

I specialize in custom pieces so almost any and all designs can be modified to suit your needs. This is by no means all of what I can do but rather a small and general list of some of the items I am capable of creating. Please contact me about custom keepsakes or other items you may wish to have done. I am happy to work with you to create something beautiful to remember a special occasion, to give as a gift, or to help decorate your home. Please note that prices may vary based on your specific needs. You may reach out to me on Instagram @casilecreations or by email jacqueline@casilecreations.com for any further questions.

I also love to work with other local and small businesses and organizations. Please contact me if you would like to sell merchandise or purchase in bulk (special pricing may be available) to help with branding and/or marketing. I have also recently started designing logos and custom artwork!

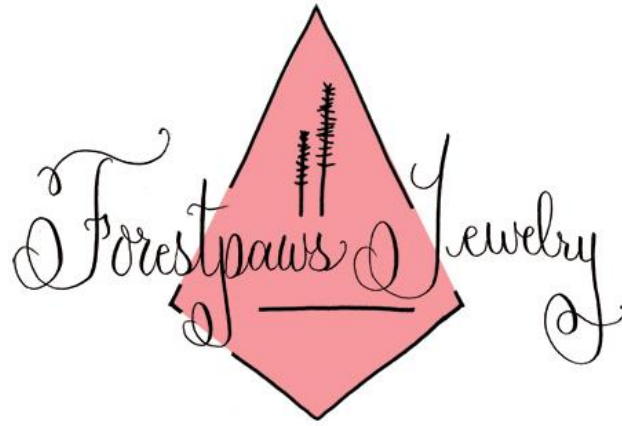

Please fill out the order form with what product and size you would like to order. I will then contact you via phone or email to discuss customizable options!
