OUR PRIORITIES

Reduce and/or Eliminate Child Abuse

Support for Preventative Health, Mental Health and Wellness
Childcare Accessibility and Quality Care

Access to High Quality Early Learning for Being on Track for School Success

Safe, Stable and Nurturing Families

OUR GOALS

Be an active partner in prevention collaborations, programming and educational opportunities.

Make affordable, assessable and high-quality early learning and child care available to all families.

Enhance current community efforts in sustaining or improving preventable health, mental health and wellness for the benefit of children 0-5 and their families.

Provide support for quality early care and learning environments.

Children grow confident, resilient and independent in safe, stable and nurturing families, schools and communities.
