"A Den of Thieves"

TRUTH AND JUSTICE IS AT HAND

"And Jesus went into the temple of God, and cast out all them that sold and bought in the temple, and Overthrew the tables of the Moneychangers"

The Second Temple in Jerusalem

"Moneychangers" Interesting - The Only Time Jesus Showed any kind of Aggression or Physical Display of Anger in his Entire Ministry. Has The Lord Withdrew His Disdain for Cheating People out of their Money Through Trickery? - NO!

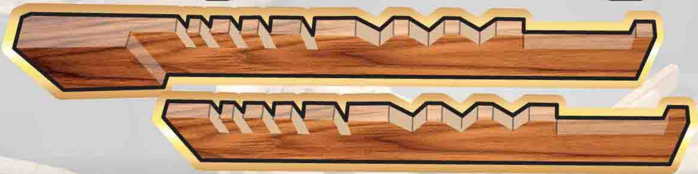
The Federal Reserve Sanctuarium

Today, we are Witnessing a Moneychanging Crime of Monumental Proportions. Every day our Labor and Life Energy is being Stolen from us by a System that was Designed to Transfer the Wealth of All Working People to a Small Elite Class of Money Overlords, whose Only Desire is Power and Control, with Nothing to Offer But Misery and Bondage

THE NEW MONEY REVOLUTION

The Tally System

The First Encrypted Ledger



1100-1694

The Tally Stick Fire 1834

Interest-Free Tokenized Assets

It's Hard to Believe in our Technological age, but there Once was a Time in England that for 600 Years (Before the Banks) Money was Counted on Tally Sticks. Perfectly Forgery Proof Sticks of Wood that were Split LengthWise for Two Parties to Keep Track of Financial Transactions: Mostly Taxes - Lost to History - Can the Tally Stick Era Return?

Honest Money Re-INVENTED

Yes, We Now Have the Technology to Create a System that Can Function as a Debt and Interest-Free Money Ledger, Forever Freeing Humanity from the Fractional Reserve Banking Scheme Dreamed up in Medieval Times. To Create an Asset-Backed Currency where The People Can Once Again Become the Owners of Their Life, Liberty and Property - A Structure of Currency that Eliminates Theft and Corruption by The Oligarchy

THE NEW MONEY REVOLUTION

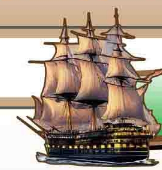
Founding

Debt as Money

In England in 1694, A Grand Experiment Was Originated - What if Money was Converted from Something of Value, to a Future Obligation, A Promise to Pay, Blessed by The Government? The World would Never be the Same



War Makes Debt

Empires Cost Money, Discipline Needs to be Maintained Among the Subjects. From the Years 1694 to 1763, England Piled up Massive Debt Fighting Many Conflicts. Just From 1756 to 1763 they Doubled Their Debt from £75 Million to £150 Million

The Experiment Worked! Today, with Very Few Exceptions, The World Operates on a Promise to Pay System - Money Issued as Debt Created from Nothing - The Banks Have Even Gotten the World to Believe that this Unpayable Debt and Unfunded Compounding Interest is a "Security"

*Pre-***WAR** *Currency* **1770**

The Currency Act of 1764

A British Law that Banned the issuing of Paper Money in the American Colonies and Required the Withdrawal of Existing Paper Money. The Act Demanded the Payment of Taxes owed to the Crown in hard Currency (Gold and Silver). The Effect was Devastating to the Colonies, causing a Shortage of Currency, greatly affecting Trade and Commerce

· Benjamin Franklin · 1793

"The colonies would gladly have borne the little tax on tea and other matters had it not been that England took way from the colonies their money, which created unemployment and dissatisfaction. The inability of the colonists to get power to issue their own money permanently out of the hands of George III and the international bankers was the Prime reason for the ***Revolutionary War***"

The **Federal Reserve Dollar** has Lost **97%** of its Value Since its Introduction in 1913. The **New USA Dividend Dollar** is a **Revolution** in **Wealth Preservation**

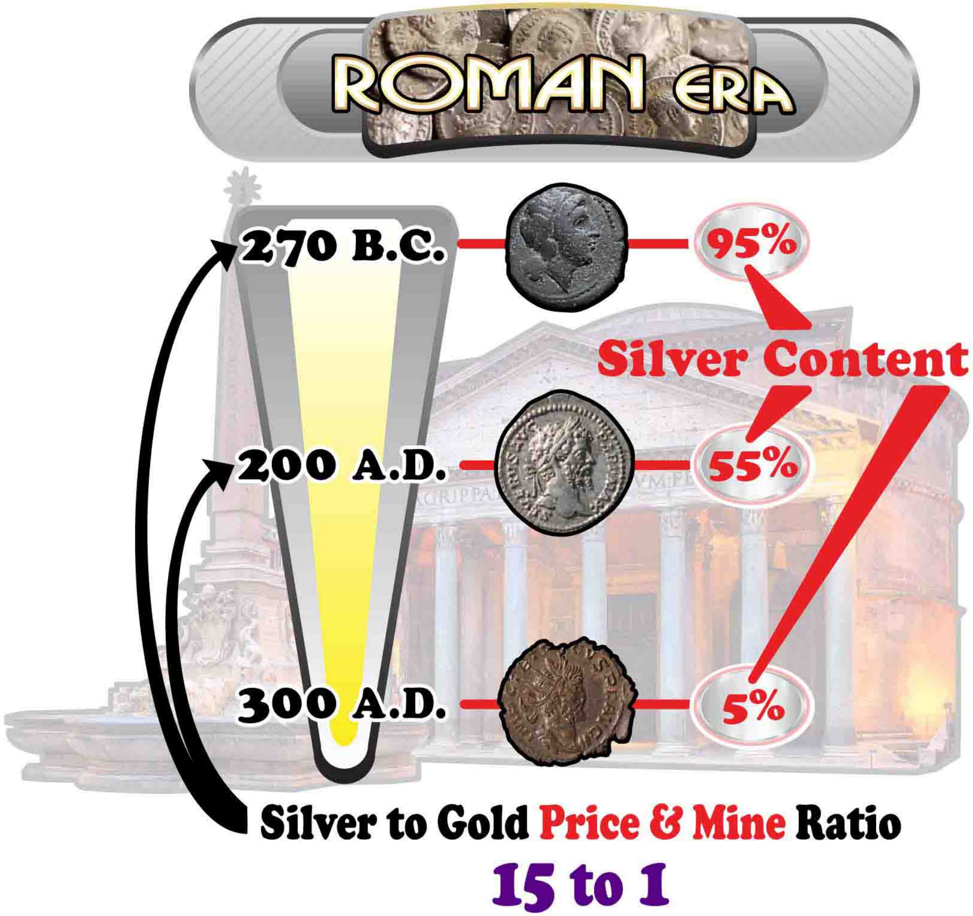
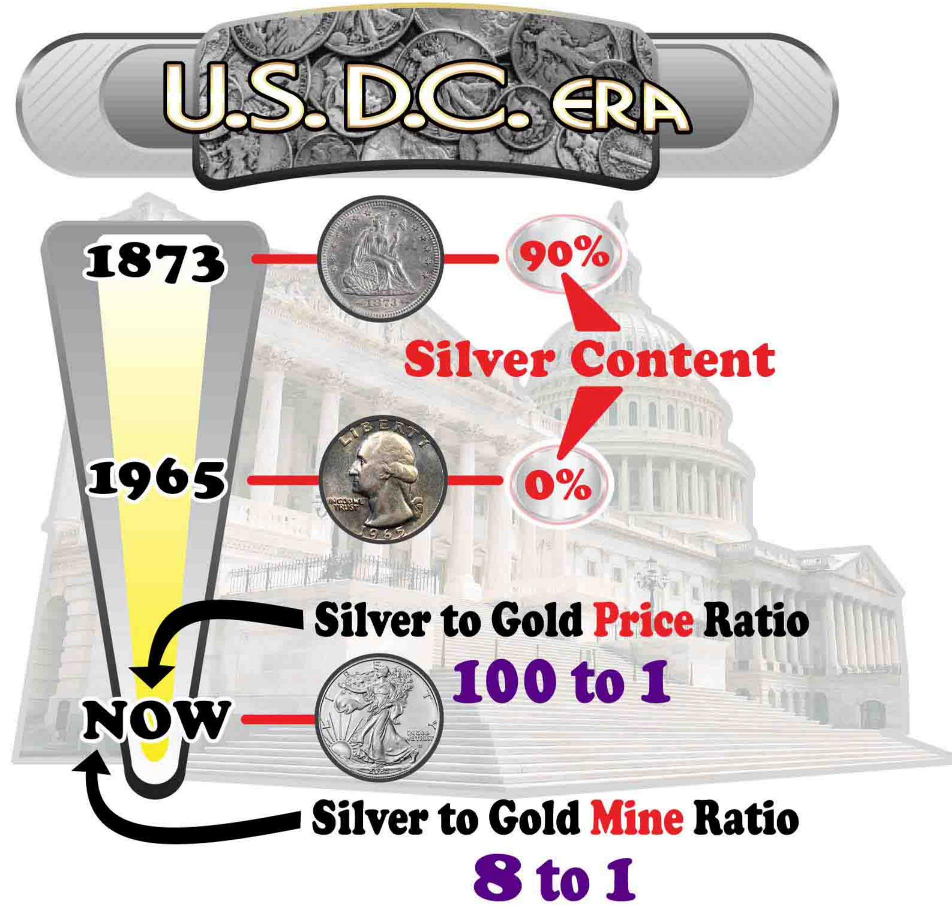
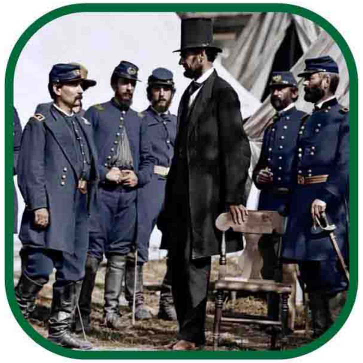
The Silver Swindle





- Silver has been the Central Medium of Exchange for CENTURIES
- The Big Banks Know that they Must Suppress the Price to Maintain the Illusion of Value for their Fake Fiat Debt Money System to Continue

Greenbacks



1862-1865 • THE UNION

To Fund the Union Cause in the Civil War, European Banks wanted to charge 24% to 36% Interest. Instead, Lincoln Printed Debt and Interest-Free Greenback Paper Currency to Continue the War. $450 Million Greenbacks were Printed (About 8% of GDP)

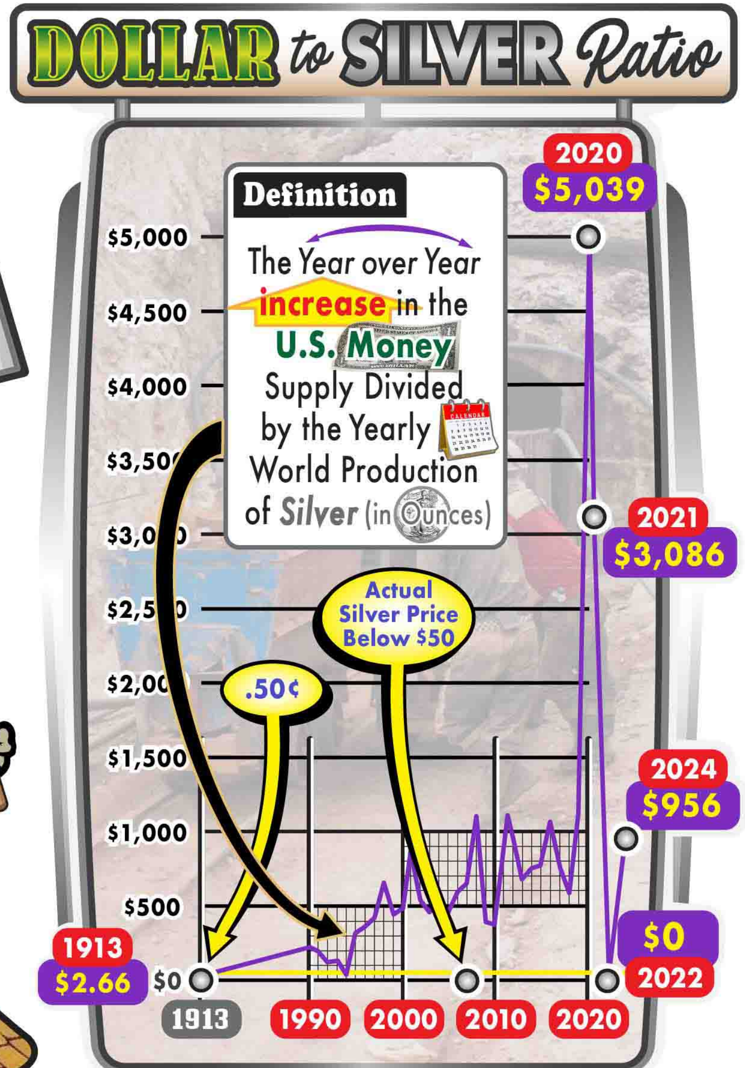
THE PANIC OF 1873

Several Factors Converged in the Fall of 1873 to Create a Panic and a Depression that lasted for years. The Two Main Monetary Causes were the Planned Calling in of Greenbacks and the Demonetization of Silver, Which Contributed to a Stock Market Crisis

The Greenback Party Emerged Out of the Financial Chaos of 1873 with a Simple Idea - That the Government Should Issue (Unbacked) Debt and Interest-Free Money to Stifle the Influence of the Big Banks. While having Half the Equation for Honest Money in-hand their approach still led to the Disaster of The Federal Reserve Act of 1913, which gave us 100 Years of Servitude

GREENBACK PARTY
Humanity

The Crime of 1873



An Ounce of Silver for a Day's Labor

During a hundred year period, from 1773 to 1873, a Single Ounce of Silver Paid For the Average Laborer's Daily Wage. Today, it would take nearly 10 Ounces of Silver for a day's wage

The War on the Price Silver has lasted 150 years. If only 2% of the World's Population Bought 1 Ounce of Silver, the True Price of Silver would be Revealed, Which is Between 10%-20% of the Price of Gold

CRIMINAL

The Federal Reserve System was established in 1913 as a Master Class Financial Scheme. An Enigma so Diabolical and Obscure that for over a Hundred Years it has Foiled Any Attempt to Decipher its Dastardly Code of Destruction

NOT FEDERAL

These Founding Fathers of Deception knew that their Plan was the Perfect Formula to Deceive and Compromise the Politicians of the day, to turn over the Keys to the Magic Kingdom of Wealth Creation

NO RESERVES

The Plan was to Create a Ponzi Scheme at the Highest Level. A Never Ending Cycle of Debt and Interest to Trap The American People into a life of Servitude. To take from the Government its Sacred Duty to Coin Money, and Regulate the Value Thereof

AN ILLUSION:

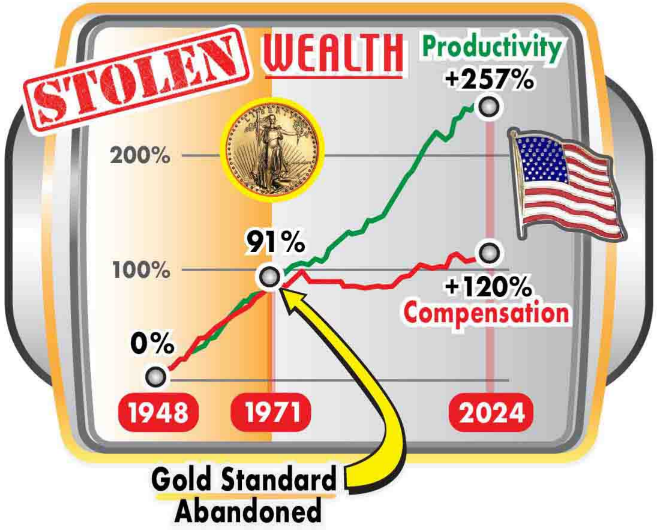
A misinterpretation or a deceptive perception of reality

FAKE Fungibility

For Much of the last 400 years, the Banks, with the Complicity of Government, have maintained a Carefully Controlled Illusion - That Money is Fully Backed by Real World Assets - In Truth Money is Nothing More than a Promise to Pay In Fake Debt-Backed "Assets' on an Infinite Timeline

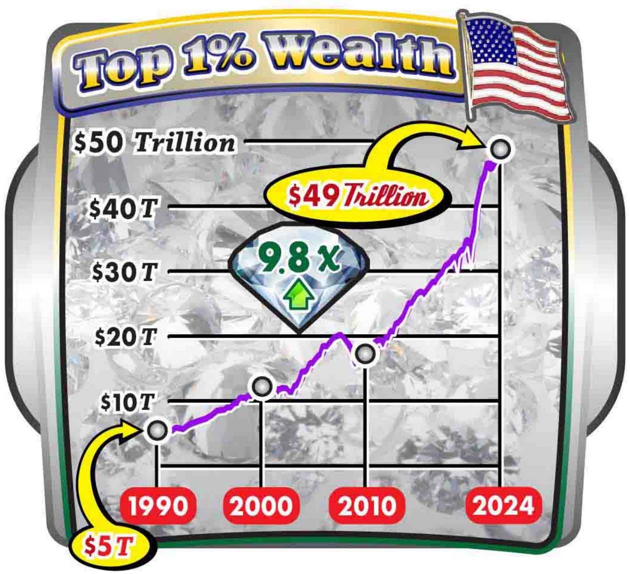
THE NEW MONEY REVOLUTION

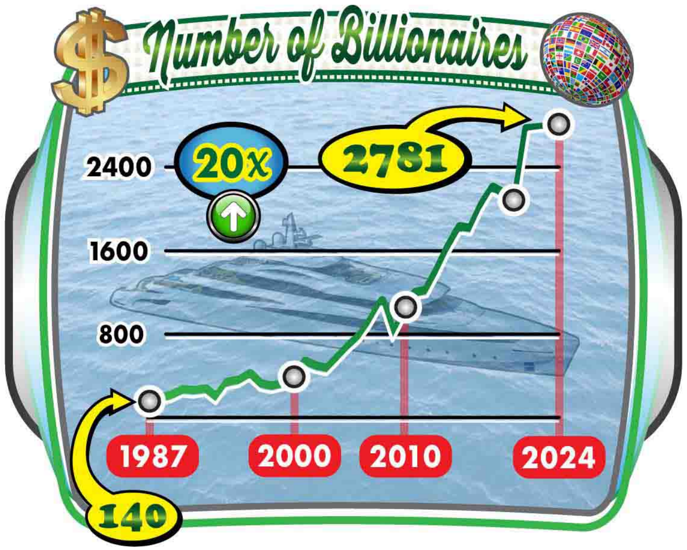
Rigged by the Banks

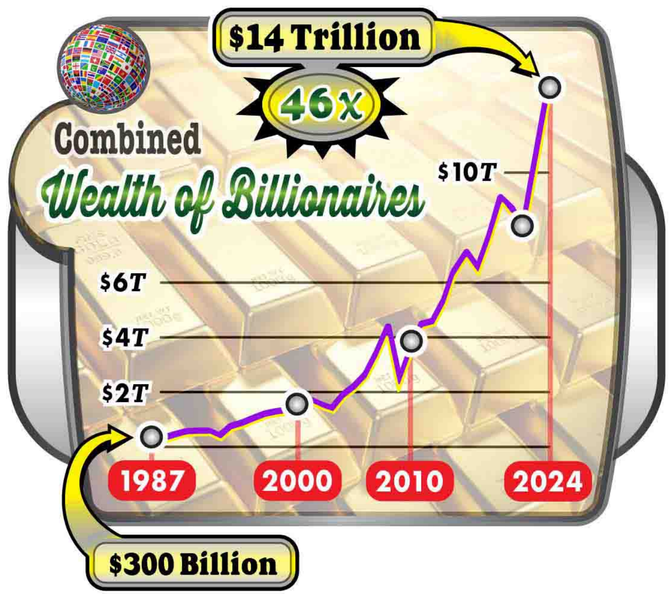


THEFT • HEIST • ROBBERY • LARCENY

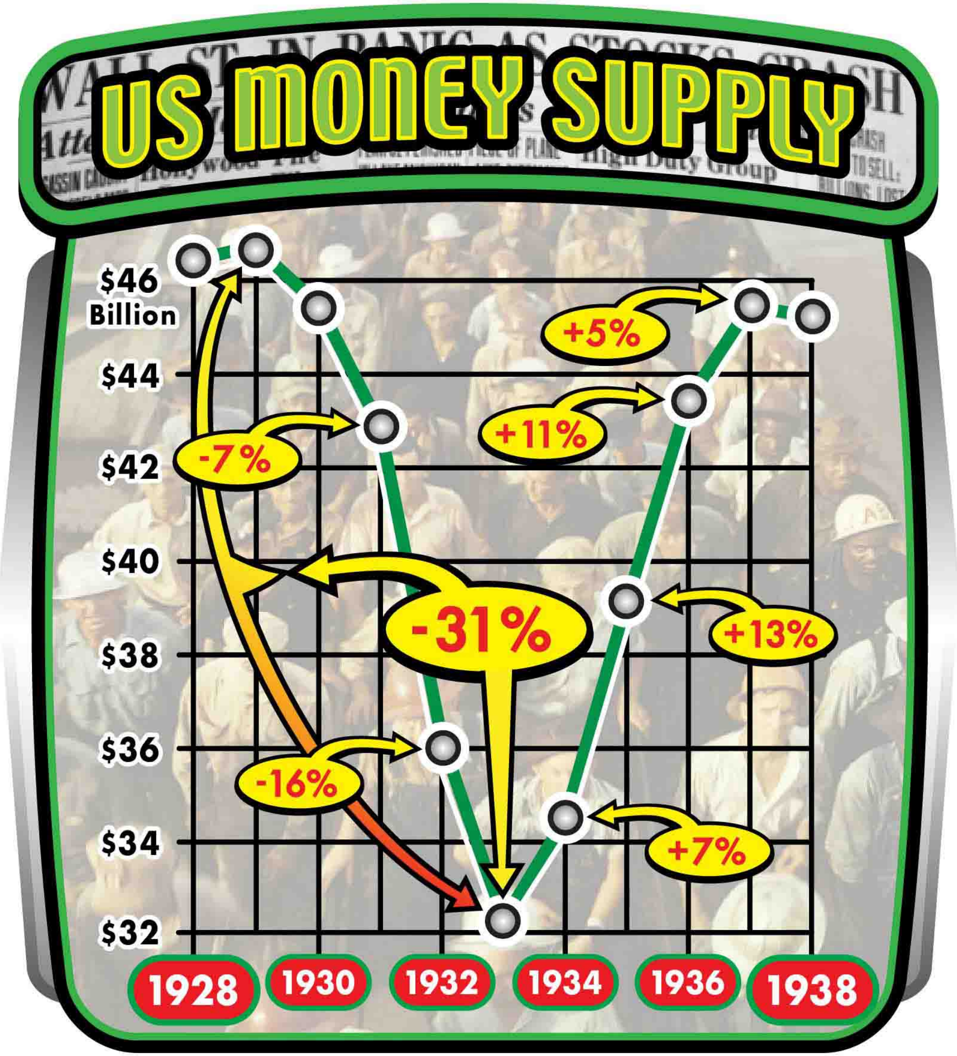
From its Inception in 1910 on Jekyll Island, The Federal Reserve along with Fractional Reserve Banking was designed to Extract Wealth from the Working Class to the Unproductive Banking Class. It was a Carefully Crafted Scheme to Skim 20% of all Commerce and Wealth Creation into the hands of an Elite Few - They Knew, That if Successful, America would be Trapped in a Debt Spiral Impossible to Escape from







The Great Depression



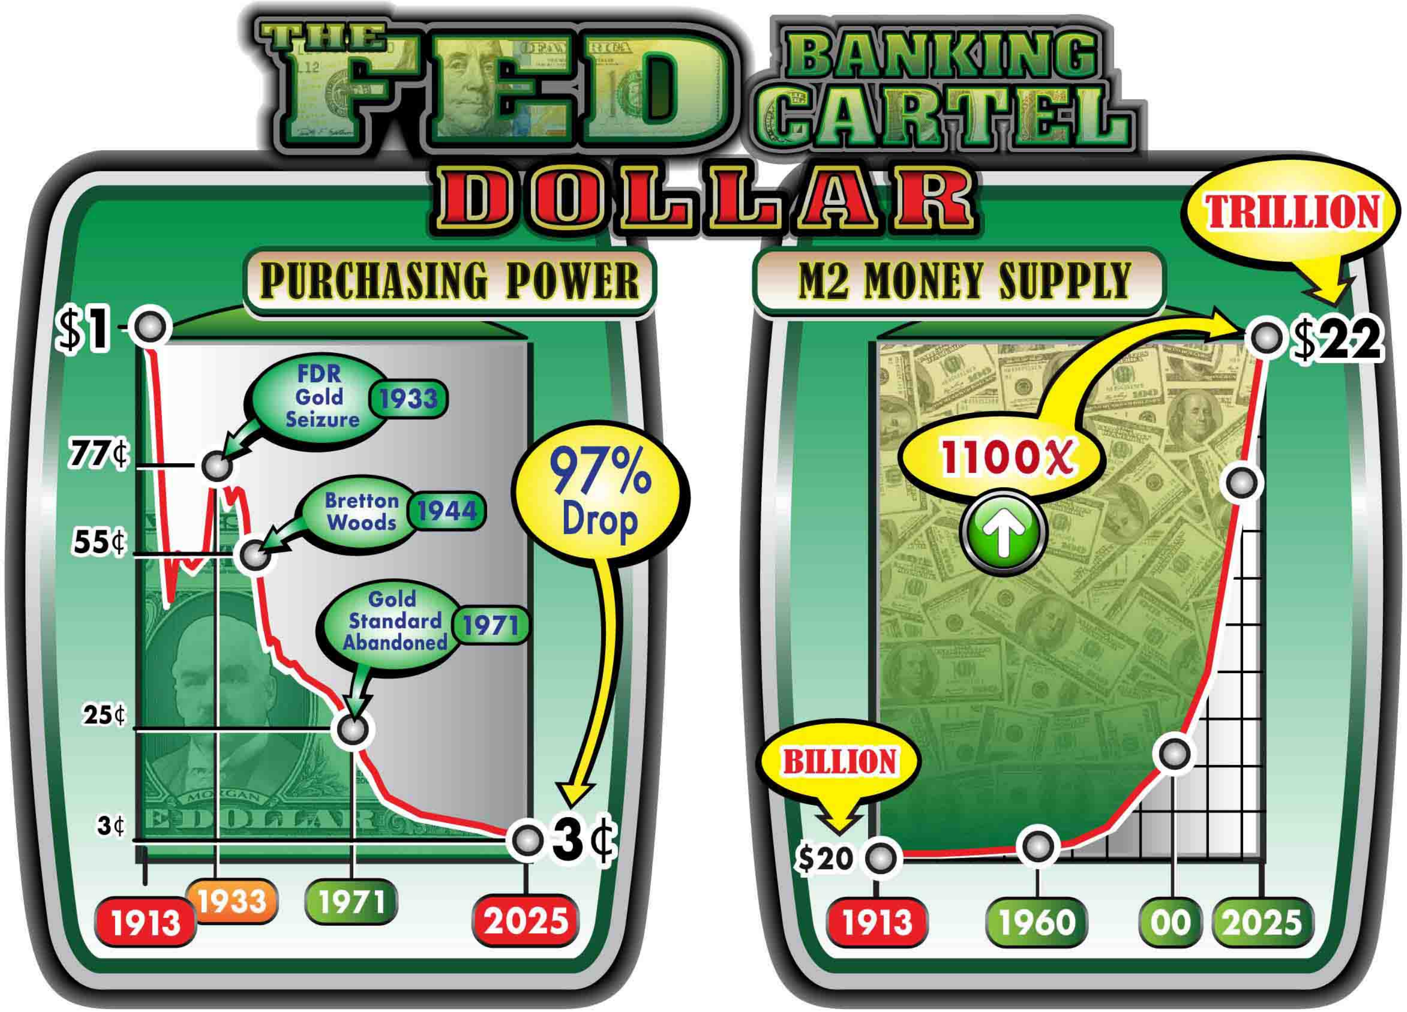
Incompetence and Malice

Between 1929 and 1933, 9,000 US Banks Failed. The Federal Reserve Flunked at its First Test to Backstop the Fractional Reserve Banking System. It Meant Bankruptcy and Unemployment for Millions of Americans - For the Banking Cartel - Opportunity - The Greatest Consolidation of Wealth in Human History

Power and Greed

By Any Means Necessary - In The Banking World its the Motto of the Game - Extraction of Wealth - Lending Money Created from Nothing to Buy Assets on Margin is the Perfect Application of this Principle. A Bait and Switch Margin Call is all that's Needed to Scoop up any Asset for Pennies on the Dollar - The Boom & Bust Cycle, the Favorite Tool of the Banking Cartel

The Deflating Dollar in Slow Motion



The Biggest Inverse Correlation in Human History

An Epic Fail on a Monumental Scale! The Loss of Value of The Fiat Fed Dollar is the Worst Financial Crime Ever Conceived.

Generational Wealth Stolen in a Grand Scheme to Turn a Nation into a Land of Serfs, Where a Tiny Minority at the Top Benefit from the Labor of Millions.

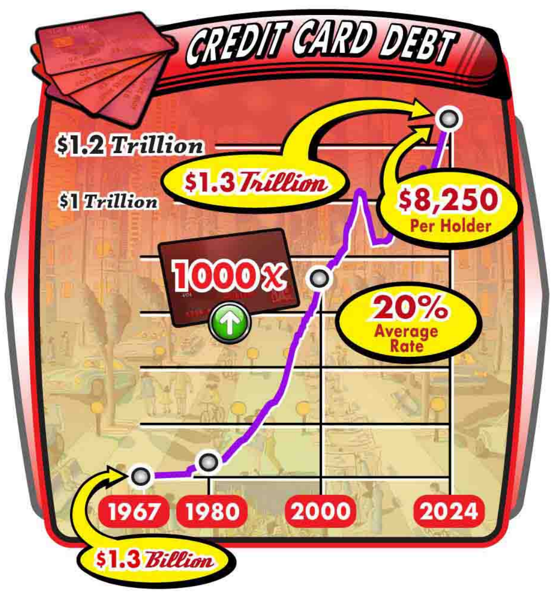
With Hardly a Word of Scorn - Until Now!!!

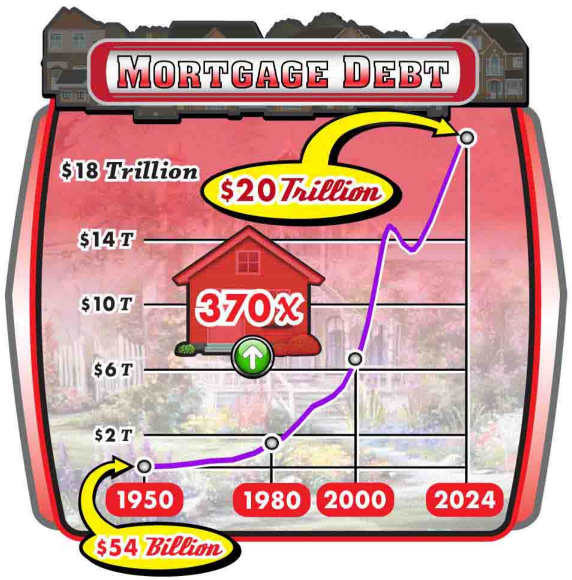
The Debt Money Ripoff

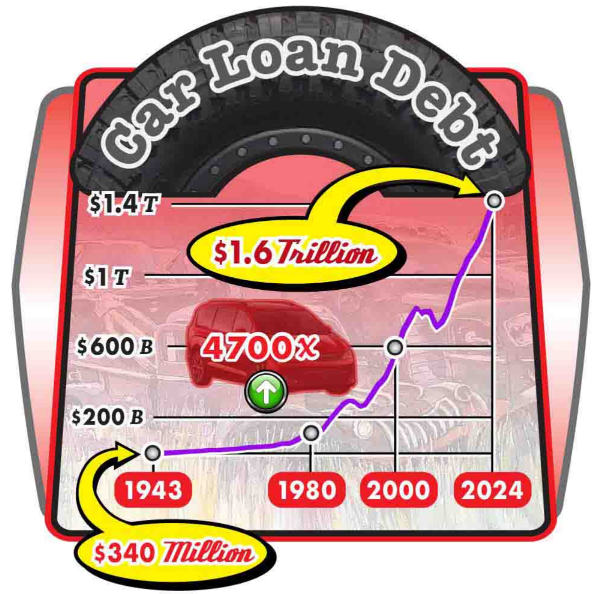
WEALTH TRANSFER ON A GIGANTIC SCALE

It's Hard for People to Believe: It Defies Description and Imagination, but Our Money is Issued as Debt. Yes, Mathematically Unpayable Debt with Interest. The System Created in 1913 was Rigged by the Big Banks from the Start. It was Designed to be RESET when it Ground the Economy to a Halt. When Taxes and Debt Service Overwhelmed the Ability to Pay.

The Trap has Been Set. So, Let's Flip the Tables on the Banks

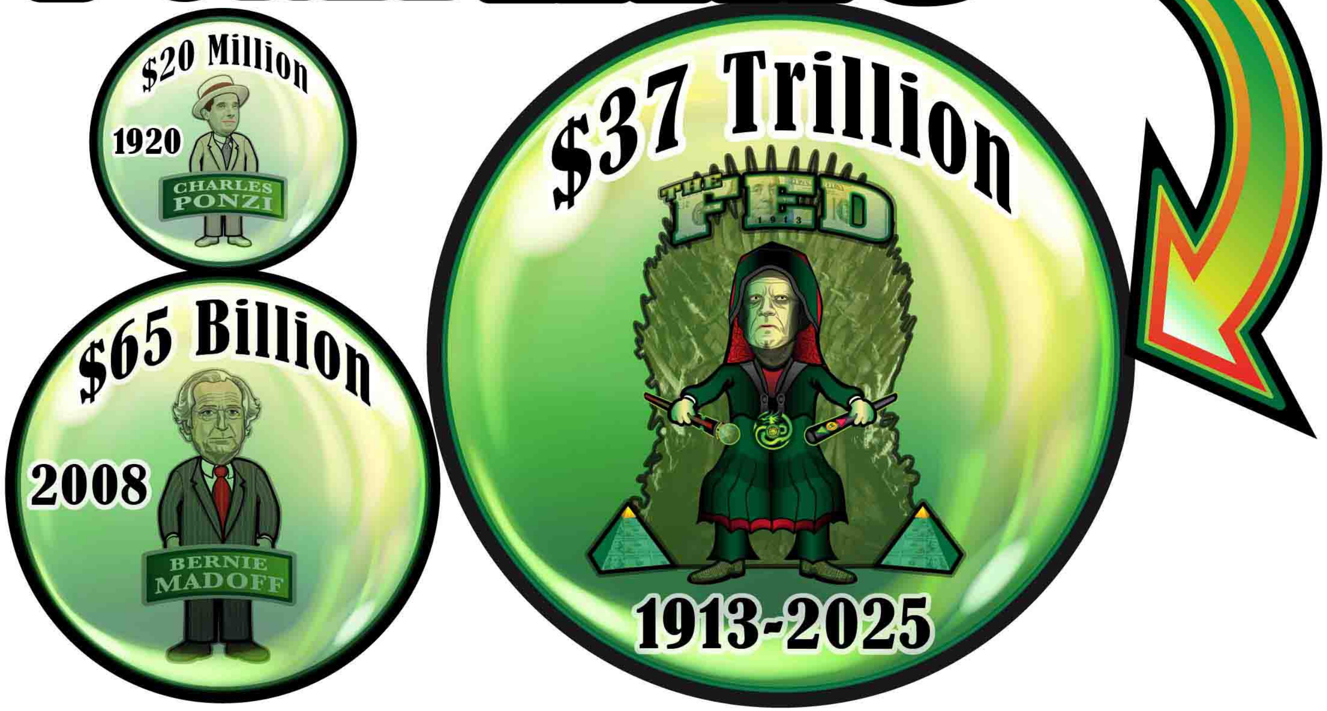






Theft by Another Name

THE PONZI KING



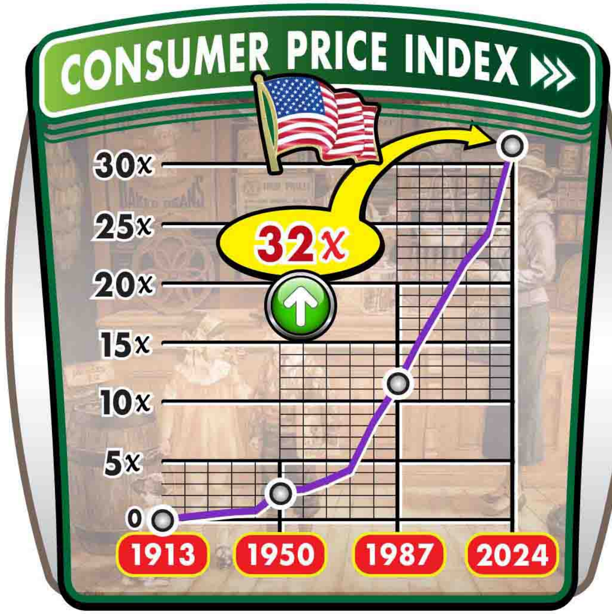
Ponzi Scheme: A form of fraud that lures investors and pays profits to earlier investors with funds from new investors

The Framers of the Federal Reserve's goal was to so mask the Creation of Money that the Vast Majority of people would never understand how they were being **Cheated**

The Power to Create an **Infinite Supply of Interest Baring Money** from Nothing **Backed by Debt,** means in theory, that their **Crime** of ever increasing **Unpayable Debt** - Would Never Be Discovered

Or So They Thought...

Inflation



GRAND THEFT by THE FED

Inflation - An Invention of a Word to Cover-up the **Biggest Crime** in Human History - The Theft of a Nation. The Proper Term is Deflation, Because when you're dealing with **Crime you Blame the Perpetrator and not the Victim.** The Value of the Dollar is Deflating Thanks to the **100 Year Criminal Scheme** Implemented by the Banks in their **Federal Reserve Debt Money System.** Rising Prices are Not the Fault of the Producers of Goods and Services

For Over 100 Years the World has Witnessed the Horrors of Communism and its Dehumanizing Effect on Civilization. Power, Control and Expansion by any Means. To no one's surprise this Subterfuge extends to Economic Warfare. How do you Stop a Nation Committed to Destroying the Economic Base of Another? - Tariffs - Between 1820 and 1913 the US Government was Mostly Funded by Tariffs. At just 3.5% of GDP, Tariffs could bring in $1 Trillion Dollars a year of Revenue. With the Addition of the USA Dividend Dollar Counted as Revenue of $1.5 Trillion, the Income Tax and Corporate Tax Can be Completely Eliminated
