

Do You See Us Now

7340 N Moe Rd

Middleville, MI 49333

Dear Sir or Madam:

We would like to introduce you to our organization, **Do You See Us Now**, or better known as **DYSUN**. Formed in 2019 as a 501(c)(3), after losing a close friend in a motorcycle crash due to distracted driver. Our mission is to raise awareness, in hope to put an end to this problem. **DYSUN** is composed of current and former first responders, and people who have been directly affected. We have seen the devastation from distracted driving first-hand. Every year, we chose a family to sponsor that has lost a family member in this way. Along with a family, we chose another non-profit to donate proceeds.

For the last six years, **DYSUN** has put together group rides across northern Michigan to raise awareness and ride in memory of our fallen brothers and sisters who have lost their lives due to distracted driving. We have traveled through towns like Petoskey, Alpena, Cheboygan, Gaylord and other little towns around northern Michigan. Also, we have traversed the Mighty Mac with as many as 270 motorcycles in tow.

As we have traveled around the lower peninsula people have taken notice, answering our question of "**Do You See Us Now.**" We have taught at drivers education and schools around the state to get the word out to younger drivers, and the impact it has on families and communities. Everything has been top notch. For our efforts, we have received wonderful feedback and a great following on Facebook and other social media.

We have no doubt that this will be another incredible year for **DYSUN**. Doing this comes at a cost. We rely heavily on our fundraising efforts. We seek sponsors like you to help guide us through. We are coming to you, and asking you to join us to be a part of our efforts in 2026 and bring awareness to this problem. We all know it's bad enough when a car collides with another automobile; it's almost always fatal when a car collides with a motorcycle, bicyclist, or pedestrian.

On the following pages, you will find several different ways that you can help support us in making a difference. Please visit our website and find us on Facebook to learn more. You will quickly see how much love and work we put into this every year. For your support, from the bottom of our hearts, we say **THANK YOU!!!!!!**

Respectfully yours,

THE DYSUN TEAM
