SHIPPING CHARGES: There will be a UPS charge of \$7.75 on all out going appliance cases. Please send Study Model impressions two to a carton to lessen your expense. Note: please put the DUE DATE on the prescription sheet at least two days before actual insertion, so as to allow for any UPS issues.

RUSH CHARGE: Normal return is 3 days in house for appliances, and 5 days for functional and study models. A RUSH CHARGE OF \$25.00 will be applied to all work that is one day or less. Same day Rush is \$30.00.

There will be a 2% Convenience Charge on all Credit Card Payments. there is a \$1.00 local delivery charge due to the high cost of auto maintenance.

Please note that the final price of your appliance may change from the list price based on options, upgrades, and any additional services required. All prices are subject to change.

Orthodyne Laboratories Inc. is not responsible for pricing errors or omissions. If you have any questions about pricing, please contact us at: 1-800-814-0040 or 301-279-0040.
