

## **A curated collection of transformative spiritual texts from metaphysical visionaries.**

### ◆ Myrtle Fillmore

Co-founder of Unity; her gentle wisdom focuses on divine healing and prayer.

Healing Letters

Soulful correspondence offering insight into spiritual healing and divine connection.

Let God Teach You to Pray

A tender exploration of how prayer is less about asking—and more about listening and aligning.

### ◆ Charles Fillmore

Metaphysical pioneer and teacher of spiritual laws and the Christ consciousness.

- Talks on Truth
- Foundational teachings on divine principles, faith, and the power of thought.
- The Revealing Word
- A metaphysical dictionary explaining spiritual meaning behind common terms.
- Teach Us to Pray
- A practical and mystical look at the true nature of prayer—how to align with divine mind and activate spiritual law.

◆ Alan Watts

Philosopher-poet who translated Eastern wisdom for Western minds.

- The Wisdom of Insecurity  
Letting go of illusion and embracing the present as the only sacred space.
- The Way of Zen  
A graceful introduction to Zen practice and philosophy.
- Become What You Are  
Essays exploring identity, illusion, and spiritual awakening.

◆ Emmet Fox

New Thought giant—sharp, practical, and rooted in divine principle.

- The Sermon on the Mount  
A metaphysical decoding of Jesus' core teachings.
- Power Through Constructive Thinking  
Harnessing divine mind and focused thought to shift reality.
- Find and Use Your Inner Power  
Practical guidance to live from your spiritual core, not your fear.

◆ Eric Butterworth

A spiritual teacher for modern mystics—empowering, clear, and deeply loving.

- Discover the Power Within You  
Unlocking your divine identity and living from spiritual strength.
- Spiritual Economics  
Reclaiming prosperity as a natural expression of divine flow.
- The Universe is Calling  
A guide to affirmative prayer and conscious communion with Spirit.
