To the Board of Directors:

This certified correspondence constitutes formal notice to each of you in your capacity as directors of Public Storage that Brandon Michael Jeanpierre Corporation (DBA "The Black Flag") has perfected a security interest in the amount of \$41,317,426.12 against Public Storage through UCC-1 filings in multiple jurisdictions.

As board members with fiduciary duties to the corporation and its shareholders, you should be aware that this security interest:

1. Creates specific encumbrances on Public Storage's assets in multiple states
2. May trigger disclosure obligations under SEC regulations
3. Could impact corporate financial statements and lending relationships
4. Arises from religious violations documented in Utah Third District Court Case No. 240910075

The enclosed "Notice of Secured Religious Claim" details the religious basis for this claim, the secured assets, and the specific amount secured. I strongly recommend you consult with outside counsel regarding your duties in light of this security interest.
