Agenda:

3. Clarify the tithing provision to ensure transparency and alignment with organizational values.
4. Sign-off on the updated bylaws.

Discussion Points:

1. **Review of Bylaws:**
The group conducted a detailed review of the bylaws to ensure alignment with organizational objectives.
2. **Formalization of the Tithing Provision:**
 - The **tithing provision** was revisited and finalized for inclusion in the bylaws.
 - The group agreed that this provision ensures the financial sustainability of the overarching non-profit mission by embedding a **10% account payable from all subsidiary revenue streams** to the Brandon Michael Jeanpierre Corporation (the Umbral Thread).
3. **Clarification of the Tithing Provision:**
 - The group emphasized that this **tithing requirement applies solely to the revenue streams of organizational subsidiaries**—both for-profit and non-profit.
 - It was explicitly clarified that **individuals are not required to pay tithing**. This is not a personal financial obligation but a structural mechanism within the organization's financial framework.
 - Transparency measures were reiterated:
 - For-profit subsidiaries must document this as an **account payable** visible to shareholders.

- Non-profit subsidiaries must ensure visibility to the **general public**.
 - The permanence of this structure was affirmed, persisting regardless of dissolution or separation from the Umbral Thread.
4. **Formal Sign-Off:**
Following these discussions and clarifications, the updated bylaws, including the clarified and finalized tithing provision, were signed and formally adopted by all present.

Key Outcomes:

- The bylaws have been amended to include the **clarified tithing provision**.
- Transparency and alignment with organizational values have been ensured through detailed documentation.
- The revised bylaws are now available at [Updated Bylaws](#).

Adjournment:

The meeting concluded at **14:28**, with consensus on the outcomes and next steps.
