

**TIME SENSITIVE, FIRST ITEM - THIS WEDNESDAY MARCH 31st AT 6:30 PM WINNIPEG TIME**

Hello 5G Winnipeg Awareness Members & Friends,

**1. How to Oppose a Cell Tower- Zoom call Wednesday, March 31st 6:30 pm Winnipeg time**

New large (macro) cell towers are being installed everywhere across Canada - and there will be more to come - first the big ones, then the 4G/5G antennas (microcells) close to homes and elsewhere.

Be proactive. Learn more ...

You are invited to an open Zoom meeting hosted by Canadians For Safe Technology (C4ST)'s " Community Actions for Safer Technology". Everyone is welcome whether a member of C4ST or not.

Topic: "Opposing Cell Towers". Our guest will be Sharon Noble who will provide some personal history on cell tower installations in BC and her view on what is happening in Canada now. Marg Friesen will lead a discussion on tools available to oppose towers and what we need to do next.

When: Wednesday, Mar 31, 2021 - 6:30 PM Winnipeg time.  
7:30- 9:00 PM Eastern Time, 4:30-6:00 PM Pacific (US and Canada)

Register in advance for this meeting. It will be under C4ST volunteer meeting.

After registering, you will receive a confirmation email containing information about joining the meeting.

**2. The new "CALM" site will help in opposing cell towers - big and small (also called microcells)**

WELCOME to CALM - a beautiful, accessible & very useful Call to Action site dedicated to creating a Safe Tech & 5G-free Canada and world. CALM is designed to support all levels of engagement and awareness. It is a site even those who are new to this issue will embrace.
