INTRODUCTION

Our brand is owned by **Global Industry Partners, LLC (GIP)**, a company actively involved since 1994 in a wide range of projects across **North America, Europe, and Latin America.**

We are proud to introduce a comprehensive line of products, including:

Kitchen cabinets	Bathroom vanities
Bedroom wardrobes	Fine countertop stones
Sanitary products	Indoor and outdoor flooring
Cabinet doors' hardware	Mirror Cabinets

OUR STRENGTH LIES IN:

- **Experienced Team:** Our employees bring a minimum of 15 years of expertise in the cabinetry industry,
- **Trilingual 24/7 Customer Support:** We provide round-the-clock customer service in both English, Spanish and Portuguese to ensure smooth communication and fast response times.
- **Proven Track Record:** In the past 5 years alone, we've successfully completed more than 300 large-scale projects. *(Visit our Photos section to see examples.)*
- **North American Onsite Service:** We offer onsite support across North America to guarantee timely and hands-on service when and where you need it.
- **Expert Design Team:** Our professional designers are involved from the very beginning, working closely with clients to ensure every detail aligns with their vision.
- **Uncompromising Quality Control:** We operate in a tightly monitored environment where quality is non-negotiable — a principle that has become the cornerstone of our success.
- We mainly use DTC for the hinges and drawer glides. As for the painting material, we work with our business partners: Sherwin Williams, Benjamin Moore, Valspar and Akzonobel
- Our customers use their KCMA certificate, however; our cabinets are equal or exceed the KCMA standards. (Kitchen Cabinet Manufacturers Association) <https://www.kcma.org/>
- For large projects we use particle board, under our customer's consent. 85% of our carcass material at our manufacturing operations is plywood
- For our cabinetry's production lines, we use fully automated woodworking equipment, including and not limited: BIESSE, CEFLA, y ALTENDORF
- We have more than 1 million sq. feet of clean and modern facilities
- Quality and service is our commitment. Our customers are our top priority

“Your project is our priority — because your success is our business.”

LOGISTIC AND COMMITMENT

- **On-Time Delivery:** We understand that timely shipping is vital to our customers' operations — and we deliver on that promise, every time.
- **High-Volume Capacity:** With the ability to ship up to **200 containers (40' HQ) per month**, we handle over **200,000 modules monthly**, ensuring we can meet even the largest demands.
- **Performance-Driven Satisfaction:** Customer satisfaction is our goal — and we earn it through consistent, high-level performance.
- **Complimentary Services:**
 - Professional Film & Photography:** We offer free access to our in-house photo studio to showcase your products.
 - Custom Design:** Our expert design team provides tailored design services at no additional cost.
- **End-to-End Order Management:** From initial consultation to final delivery, we manage every step of your order with precision and care.
- **Core Values:** Integrity, honesty, and passion define our work ethic — and guide every interaction.
- **Continuous Innovation:** We are committed to excellence through constant improvement and innovation, ensuring our products stay ahead of industry standards.

PHOTOS OF SOME OF OUR BATHROOM AND KITCHEN CABINETS

Our product range features a variety of cabinet styles designed to suit modern and contemporary interiors. Below are examples of our most popular cabinet types:

- **Slab Style**

A clean, minimalist design without frames or panels. The slab door is a favorite for modern and contemporary kitchens and bathrooms due to its sleek and simple appearance.

- **Shaker Style**

Known for its timeless appeal and understated elegance, the Shaker style features a recessed panel and clean lines, making it a versatile choice for both traditional and modern settings.

Customization Options

- Cabinets are painted in colors selected by our customers, with options available from leading paint brands such as **Sherwin-Williams** and **Benjamin Moore**.

Hardware & Functionality

- All cabinets are standard with **soft-close doors and drawers**, equipped with **ball-bearing slides** and **full-extension mechanisms** for smooth, quiet, and durable performance.
