A Message From Our Athletic Director

We are so excited to be able to welcome back at least a portion of Panther Nation back on campus.

I want to thank everyone with all of our changes from tickets to concessions to seating etc. I don't think there is a single item that has not been changed in order for this fall season to happen. We appreciate you helping to keep our coaches and athletes safe by wearing a mask.

It is amazing how one year can change everything. Elkhart County Health Department has approved 25% of facility capacity attendance for our home events. We have made a large number of changes over the last several weeks. We have moved to a total online ticketing process that will help me assure that I am meeting health dept guidelines. We are also providing a pay-per-view option for all home football and other Fall athletic events. The cost of each event is \$9.95. When considering the cost of a football ticket is \$6 each, the pay-per-view option is a bargain if you are buying more than one ticket.

NorthWood appreciates your understanding with these decisions that have been made. One of the most important acts we can do as members of this community is to support our students that choose to be involved in extra-curricular teams. How we go about providing this support has definitely changed, but we continue to be blessed with the support of our loyal fans.

Stay safe and Go Panthers!
