

The background of the entire advertisement is a dynamic, high-angle shot of numerous US dollar bills falling through the air. The bills are in various orientations, some showing the front with the portrait of George Washington (one-dollar bills) and others showing the back or different denominations like the hundred-dollar bill. The motion is captured with a slight blur, giving a sense of rapid descent. The bills are scattered across the entire frame, creating a textured, financial backdrop for the text.
