**Jason Berlin**

Jason Berlin presented on Field Team 6's national partisan Democratic voter registration efforts.

- **Details**

- Explained Field Team 6 was founded in 2019 after 2018 midterms to continue voter registration work year-round
- Reported 2024 results - contacted 25 million unregistered likely Democrats, 6 million registered, 4 million voted
- Highlighted impact in key Senate races (Arizona, Wisconsin, Michigan) where registered voters exceeded victory margins
- Described organization has 38,000 volunteers nationwide, mostly women, with only 3 paid staff
- Outlined volunteer opportunities including live voter drives, postcarding, text arcades, social media storming, and behind-the-scenes support
- Emphasized messaging approach using "three V's" - value, villain, vision
- Noted stickers are highly effective conversation starters, especially issue-based stickers
- Stated biggest organizational need is fundraising, with texting costing approximately \$2,000 to reach 50,000 people
- Xiomara asked about multilingual volunteer needs. Jason confirmed Spanish speakers especially helpful, but any language skills valuable depending on community

- **Conclusion**

- Field Team 6 delivers votes at \$1 per vote.
- Multiple participants expressed interest in volunteering

- Ashley announced in-person voter registration event April 28th at Long Beach City College
