

GEORGE WHITESIDES

George Whitesides is OF THE ANTELOPE VALLEY – as we know, the Democratic heart of the 27th Congressional District....He was a NASA leader in President Obama’s administration; former CEO of Virgin Galactic that created 700 GOOD jobs in the Antelope Valley, he’s a scientist and entrepreneur, husband and father of two who is going to beat the hell out of the MAGA Republican elected BEFORE he had a track record -- please welcome the wonderful....

GEORGE WHITESIDES

DAVE MIN

Dave Min is a sitting state Senator who represents most of the 47th District. He’s running to HOLD Katie Porter’s seat against the crook who she defeated last time....He’s a strong enviro, a gun safety advocate, a consumer- and women’s-rights guy who matches this increasingly ethnically diverse and beautiful coastal OC district far better than his anti-abortion, Big Corporation-supported opponent. We’ve been canvassing our hearts out for you and we love you....Over to you, Senator Min....
