September 29, 2024 Meeting

The best news for the AV and CAC27 has been Kamala. She has brought an excitement to the democratic base up there that we haven't seen in a while. They are excited and want George to support Kamala in congress.

Mexican and Central American Independence festival had a large turnout for George with over 20 in support with Garcia having only about 4 people with him.

The Fair was a success, we didn't even need our volunteers because the dem clubs had so many volunteers. Xiomara personally registered 4 voters herself at the Fair on day one.

**TWO SATURDAYS TO CANVAS IN OCTOBER:

George offices are open Tuesday through Sunday and have options and shifts all week. There is also voter registration efforts through Westside Dem HQ and Grassroots Dem HQ
