

**Multi-lingual Action Team Report**  
By Xiomara Flores-Holguin  
Making Waves for Democracy meeting 11/24/24

First, Xiomara profoundly thanked the MWD members for their commitment, time, and financial support in electing George Whitesides to Congress on behalf of CADEM Sec. Diana Love (present), Brandon, and the CA-27 residents (including herself).

Xiomara gave a special "shout-out" to the \*Spanish Action Team members, now called "Warriors," for their year-long weekly commitment to join the Beginners and Intermediate Spanish Canvassing classes. Although there was no curriculum, the Warriors developed its lessons as the campaign evolved: literature was translated, canvassing and phone banking scripts were translated, a list of political terminology was developed (Caryn, muchas gracias!), the Hablo Poquito Español and Hablo Español buttons were created, we engaged and recruited new members, we role-played, we debriefed our canvassing experiences, and more importantly we spoke to monolingual Spanish -speaking voters in CA-27, CA-47, and other battleground districts and states.

Xiomara hopes that everyone continues to practice or learn Spanish, French, Vietnamese, and other languages to ensure that we retain our victories in CA-27, CA-47, and other underrepresented districts and continue our outreach to our voters nationally. Now more than ever, be a Warrior!

In closing, MWD's Spanish Canvassing classes were important in our political activist work. We will provide an update at our Dec. 15th meeting.

If you have any questions or are interested in joining the Spanish/Multi-lingual Warriors, don't hesitate to get in touch with Xiomara at [xiomarafloresholguin@gmail.com](mailto:xiomarafloresholguin@gmail.com) or (213) 944-0287

\*I'm sorry I couldn't call your names during the meeting. You know who you are.  
Muchísimas gracias!

Muchas gracias y abrazos, Xiomara
