

**Fundraising Planning Committee**  
**Paul Koegel**  
October 22<sup>nd</sup> Meeting

We're holding a virtual fundraising even to benefit the Antelope Valley Democrats for Change, a local group led by a young, diverse group of folks who are committed to getting the vote out in CA27, particularly among youth.

The event is happening January 21 and will feature Karen Bass, Ted Lieu, and Sheil Kuehl.

We've lined up 50 co-hosts--people who commit to giving or raising \$500 by selling \$50 tickets to the event--but we're looking for an additional 15 people to volunteer. If you're interested, contact Darby Huffaker at [darbyhuffaker4@gmail.com](mailto:darbyhuffaker4@gmail.com).
