

CA-27 Action Team
by Marley Powell
July 14, 2024 Meeting

Santa Clarity July 4th Parade - George Whitesides and Kip Mueller were large draws! Large turn out of young voters in the AV who are getting engaged politically more and more this summer.

George is spending a lot of time out in the district and the crowds and excitement around him are growing weekly. The polls have been moving toward George since the Spring and the enthusiasm is with him and growing against Mike Garcia. Come and join the wave.

Action Dates

1 - **Saturday the 20th** is going to be a great day. We have over 15 people signed up to go and will follow up with you and anyone else who signs up today with other options that will be available due to the potential heat. That might include in person calling groups, Spanish language canvassing classes, and AC.

2 - **July 27 and July 28** is the “100 days out weekend” where we are 100 days out from the election in November. Let us know if you would like to head up to an event being held in the AV or Santa Clarita.

3 - Youth to the Booth (YTTB) is still going—
postcards addressed to young, new voters in the AV, to be written by our YTTB volunteers

4 - Voter registration on Wednesdays
